INDEPENDENT AUDITOR'S REPORT

Board of Commissioners St. Louis Housing Authority St. Louis, Missouri

We have audited the accompanying financial statements of St. Louis Housing Authority as of and for the year ended September 30, 2021, and its blended component unit as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the St. Louis Housing Authority's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.

Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as, evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the St. Louis Housing Authority as of September 30, 2021, and its blended component unit as of December 31, 2020, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 5 through 17 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the St. Louis Housing Authority's basic financial statements. The financial data schedule, and the statement and certification of actual modernization cost certificates in the accompanying supplemental information, as listed in the table of contents, are presented for the purpose of additional analysis and are not a required part of the basic financial statements of the St. Louis Housing Authority. The schedule of expenditures of federal awards and related notes on pages 48 through 49 is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Local Governments, and Non-Profit Organizations, and is also not a required part of the basic financial statements.

The financial data schedule, the statement and certification of actual modernization cost certificates, and the schedule of expenditures of federal awards in the accompanying supplemental information, are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule, the statement and certification of actual modernization cost certificates, and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 15, 2022 on our consideration of the St. Louis Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the St. Louis Housing Authority's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the St. Louis Housing Authority's September 30, 2020 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 11, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2020, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Hayes & Associates, L.L.C. Omaha, Nebraska June 15, 2022

The St. Louis Housing Authority's (SLHA) Management's Discussion and Analysis provides readers of the annual financial statement with a narrative overview and analysis of the financial activities of SLHA for the fiscal year ending September 30, 2021. It is designed to (a) assist readers in focusing on significant financial issues, (b) provide an overview of SLHA's financial activity, (c) identify changes in SLHA's financial position, and (d) identify individual fund issues or concerns.

FINANCIAL HIGHLIGHTS

In compliance with all GASB pronouncements, SLHA's single business-type activities financial statements for fiscal year (FY) 2021 report on all of SLHA's assets, liabilities, revenues, expenses, and net position for the programs it administers. In summary, SLHA's FY 2021 financial highlights include the following:

- The St. Louis Housing Authority (SLHA) was awarded \$1,648,157 in Operating Funds (PIH Notice 20-07) and two disbursements of Housing Choice Voucher administrative funds totaling \$1,862,115 (PIH Notice 20-08 and 20-18) through the Coronavirus Aid, Relief, and Economic Security (CARES) Act to Public Housing Authorities (PHAs) enacted March 27, 2020. The funding was allocated to PHAs via the Operating Fund formula to prevent, prepare for, and respond to coronavirus, including for public housing agencies to maintain normal operations and take other necessary actions during the period the program is impacted by coronavirus. In addition, the U.S. Department of Housing and Urban Development (HUD) issued broad waiver authority and flexibilities to allow PHAs to continue the mission of providing decent, safe, and affordable housing including suspending many regulations and scoring. The original PIH Notices were revised to extend the original expenditure deadline to December 31, 2021.
- Phase III of the LaSalle Park Village Renovation (\$5.4 million) consisted of the renovation of the remaining 48 units left at the LaSalle Park development. Construction was substantially complete in July 2021 and was fully occupied in August 2021. All claims with the general contractor have been negotiated and resolved. The contract closeout will be completed by mid-June 2022.
- New construction of Preservation Square (total cost \$4.5 million RHF grant). The project consists of the construction of 131 new family units of which 19 are public housing units in Phase I. Construction of Phase I is on-going and the completion date has been revised from January 2022 to June 2022.
- Total revenues (including capital contributions) increased significantly by \$16.0 million (20.9%) during FY 2021. This was largely due to the \$5.4 million in legal damages the SLHA was awarded from HUD for the recapture of the Public Housing operating reserve offset that HUD imposed in 2012 along with income from insurance proceeds of nearly \$800,000, an increase of \$7.4 million in enhanced HUD Operating Subsidies and Grants including a new Emergency Housing Voucher program and more robust proration levels than the prior year. In addition, Capital Fund deposits were enlarged over \$2.3 million from the prior year, due to the completion of the LaSalle Park renovations and ongoing construction related to the Preservation Square project. Moreover, Public Housing tenant revenue has continued to be

low and has only improved marginally by \$78,000 in FY 2021 as a result of slightly higher incomes from the prior year due to the Coronavirus and an Eviction Moratorium enacted by Congress and later the Center for Disease Control (CDC). The Eviction Moratorium temporarily suspended evictions for nonpayment of rent, prohibited charging late fees, and prohibited termination of HUD assistance in April, May, June, and July 2020, resulting in a slight increase. The CDC Eviction Moratorium had been extended through October 3, 2021 and is expected to cause lower than normal incomes and rent collection again in FY 2022.

- Total expenses decreased by approximately \$2.1million (-2.4%) in FY 2021. Total expenses were \$84.0 million and \$86.1 million for FY 2021 and FY 2020, respectively.
- The average monthly Housing Assistance Payment paid in 2021 was \$621 per unit, a decrease of 1% over the average amount paid in 2020 of \$628 per unit.

USING THIS ANNUAL REPORT

Implementation of GASB 34 requires a specific presentation of SLHA's financial statements. The following graphic outline provides a guide for the presentation.

Required Supplementary Information

Annual Financial Statements

Financial statements are prepared on a full accrual basis to present information in a more corporatelike presentation.

GASB 34 and 62 also require identification of certain types of financial activities. The activities are:

- Governmental Activities This activity includes a local entity's basic services including public safety, public works, health, parks, planning, cultural and economic development, and general administration. These activities are supported primarily with general revenue such as sales taxes, gross receipts taxes, P.I.L.O.T., property taxes, fines, and specific program revenue like permit fees and grants.
- Business-Type Activities This activity includes a local entity's activities that derive revenue from charges for services that are intended to recoup the full cost of operations.

SLHA only engages in business-type activities and its financial statements include three separate legal entities in this report SLHA, SLHA Capital Fund Corp., and Kingsbury Associates L.P. as well as blended component units: SLHA Capital Fund Corp. and Kingsbury Associates L.P. Component units are described as organizations that are legally separate from the SLHA for which SLHA is financially accountable. Blended component units are component units that are so intertwined with the primary government that they are, in substance, the same as the primary government and are presented as part of the primary government. SLHA's blended component units are described in more detail in Note A (2) on page 22 in the "Notes to Financial Statements" section of the Basic Financial Statements.

Financial Statements

The financial statements are designed to show all business-type activities in a consolidated format. Three components are included:

- 1. <u>Statement of Net Position:</u> The Statement of Net Position reports all financial and capital resources for SLHA and is similar to a Balance Sheet. The statement is presented in the format where assets, equals liabilities, plus "Net Position", formerly known as equity. Assets and liabilities are presented in order of liquidity and are classified as "Current" (convertible into cash within one year) and "Non-current". Net Position is reported in three broad categories:
 - a. Net Investment in Capital Assets: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
 - b. <u>Restricted Net Position</u>: This component of Net Position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.
 - c. <u>Unrestricted Net Position</u>: Consists of Net Position that do not meet the definition of "Net Investment in Capital Assets", or "Restricted Net Position".
- 2. The financial statements also include a <u>Statement of Revenues</u>, <u>Expenses and Changes in Net Position</u> (similar to an Income Statement). This Statement includes Operating Revenues, such as rental income, Operating Expenses, such as administrative, utilities, maintenance, and depreciation), and Non-Operating Revenue and Expenses, such as grant revenue, investment income, and interest expense. The focus of the Statement of Revenues, Expenses and Changes in Net Position is similar to Net Income or Loss. The Changes in Net Position section shows

how the Net Position is impacted by income and expenses of the current year. In effect, this amount shows the increase or decrease in "Equity" that was added or removed from the Statement of Net Position as a result of the income and expenses of the current year.

3. Finally, a <u>Statement of Cash Flows</u> is included that lists the detailed line items in the financial statements that added cash or removed cash from SLHA's cash accounts during the year. Consequently, it reveals the change in the cash balance from the beginning of the year to the end of the year.

SLHA's funds consist of exclusively enterprise funds. Enterprise funds utilize the full accrual basis of accounting and are similar to accounting utilized by the private sector accounting. The financial data schedule includes separate columns for different types of funding sources. SLHA has determined that all of the proprietary fund activities fall under one major program of providing housing assistance to the public. As such, SLHA presents its financial statements in a single column format.

FINANCIAL ANALYSIS

Statement of Net Position

SLHA's total net position increased by \$8.4 million (4.6%) from \$183.0 million in FY 2020 to \$191.4 million in FY 2021. The following analysis reflects SLHA's condensed summary of the Statement of Net Position as of September 30, 2021.

Assets

The net change in assets overall increased by \$6.1 million (3.2%). This increase is noted in the Financial Highlights section above and the relative increases in Cash and Investments from the use of CARES act funding in place of Housing Choice Voucher and Operating Subsidy. This was tempered with a decrease in Noncurrent Assets such as notes receivable and the value of capital assets due to depreciation and amortization respectively.

As shown in Table 1 on the next page, overall, current assets increased by \$8.7 million (28.8%) in 2021, largely due to the \$5.4 million in legal damages SLHA was awarded from HUD for the recapture of the Public Housing operating reserve offset that HUD imposed in 2012 along with the \$3.3 million increases in Cash and Investments from the use of CARES Act funds as explained above and the effects of both Administrative and Maintenance staffing shortages.

Capital Assets, Net of Related Debt decreased just under \$2.9 million (-3.1%) primarily because of an annual increase in accumulated depreciation. This decrease was somewhat tempered by the capitalization of Capital Fund expenditures for the modernization of Phase III of the development of LaSalle Park mentioned in the Financial Highlights section of this analysis.

Non-Current Assets (notes receivable) only increased just over \$315,000 (0.4%) overall because of both continued amortization and the retirement of notes receivable that were loaned to homeowners in the Darst Webbe and Blumeyer areas as a home buyer requirement of the HOPE VI grants as well as an additional note receivable for Preservation Square. As mentioned in previous Management Discussion and Analysis reports, costs of construction for mixed-finance projects that are being funded from capital sources (Capital Fund and/or HOPE VI) through a SLHA loan are now recorded as an expense and an increase to the Notes Receivable after each construction draw request is paid. At year

end, construction expenditures are analyzed for each independent mixed-finance project to determine the total amount of costs incurred during the current fiscal year for each project where a promissory note has been executed. The balance of the Notes Receivable for each independent project in progress is then transferred from the capital source to the Public Housing Low Rent Program in the corresponding Asset Management Project (AMP) fund through an inter-program transfer.

Liabilities

The net change in overall liabilities lessened by approximately \$2.3 million (-21.2%) in FY 2021. Liabilities are divided into current and long-term liabilities.

Current liabilities decreased by \$1.6 million over FY 2020. A decrease in deferred revenue related to the Housing Choice Voucher CARES Act funding of \$1.5 million, a decrease in accounts payable relating to vendors of over \$514,000 and increased accrued liabilities of \$425,000 that include the accrued legal damages noted in the Financial Highlights section, added to the overall decrease in current liabilities.

Long-term liabilities decreased approximately \$758,000. The long-term liabilities will continue to decrease annually as a result of the payment of long-term bonds outstanding, including principle and interest, for the rehabilitation of Kingsbury and Cochran Plaza.

Net Position

Net Investment in Capital Assets lessened by approximately \$2.1 million, however Restricted Net Position increased by \$2.7 million as well as Unrestricted Net Position by \$7.9 million, because of a number of factors as discussed in the asset and liability sections above including the recording of amortization expenses, decreased COVID-19 related deferred income from the CARES Act and higher than normal accounts receivable due to the expected receipt of legal damages in FY 2022.

TABLE 1 STATEMENT OF NET POSITION

	FY 2021	FY 2020
Current Assets	\$38,752,994	\$30,091,213
Capital Assets	\$88,468,366	\$91,321,700

Total Net Position	\$191,433,451	\$182,965,424

Changes in Revenues, Expenses and Net Position

Total revenues (including capital contributions) increased by \$16.0 million from \$76.5 million in FY 2020 to \$92.5 million in FY 2021 for a net increase of 20.9%. Total expenses decreased in the current fiscal year by \$2.1 million from \$86.1 million in FY 2020 to \$84.0 million in FY 2021 for a net decrease of 2.4%. This results in a total increase in the Change of Net Position of \$18.1 million from FY 2020. A further explanation of each of these components is included below:

Revenues

Rents and other tenant charges increased slightly by over \$78,000 (2.4%) in 2021. This slight increase is primarily caused from a second year of lower rents charged in some developments due to income changes as a result of COVID-19. In addition, unit vacancies caused the rents to stay as low as last year levels due to a lack of make readies because of reduced maintenance staffing brought about by the pandemic, HUD and CDC Eviction Moratoriums as discussed in the Financial Highlight section.

Capital Fund Grants increased by \$2.3 million (30.2%) overall from the prior fiscal year. Capital Funds for operating/soft costs decreased by \$1.4 million due to fully expensing the soft cost revenues for Operations of the Public Housing Developments in the prior year and reverting to expensing only the soft cost revenues for Operations of the Public Housing Developments for the current year. However, Capital Fund for hard costs increased by \$3.7 million because of the completion of the rehabilitation and modernization of LaSalle Park, including the winding down of construction for Phase III of LaSalle Park as mentioned in greater detail in the Capital Fund and Replacement Housing Factor Construction section of this report.

Operating Subsidy and Grant revenues increased overall by \$7.5 million (11.6%) in FY 2021. A closer look at the individual program breakdown shows that proration levels increased in FY 2021. This resulted in additional Operating Subsidy awarded for Public Housing of \$1.7 million as well as the remaining CARES Act Operating Funding of \$0.8 million. Although there was a substantial decrease in the number of units leased over the prior year in the Housing Choice Voucher Program (HCV or Section 8), additional funding was made available through the American Rescue Plan. The calculation of the FY 2021 renewal amount uses a "benchmark" of units leased and expenditures as reported in the Voucher Management System (VMS) using calendar year 2020. In addition, a new voucher program called the Emergency Housing Voucher program was introduced in 2021 along with a fully leased Mainstream Program. As a result, there was a substantial increase in grant revenues from the Housing Choice Voucher Program (HCV or Section 8) of \$3.2 million as well as CARES Act Supplemental HAP Administration reimbursement of \$1.5 million.

Unrestricted and Restricted Investment Income decreased in FY 2021 by \$57,836 (-86.8%) and \$47,364 (-79.4%) respectively. In 2021, interest rates plummeted due to the coronavirus and in some cases, favorable investments proved difficult to find. The results have been that Certificates of Deposits that had matured and had no renewals were allowed, or suitable instruments were not found timely to reinvest, therefore investments were decreased, and cash was increased substantially. In addition, some Unrestricted Investments are being used to offset increased expenditures in deferred maintenance at some Public Housing developments or large unpaid rents and charges. Restricted Investment income also decreased because of low interest rates, record shortfalls reducing the size of available restricted reserves in which to invest, and the length of term of investment vehicles.

Other Revenues increased by \$6.2 million (862.4%). This was largely in direct correlation to the \$5.4 million in legal damages the SLHA was awarded from HUD for the recapture of the Public Housing operating reserve offset that HUD imposed in 2012 along with income from insurance proceeds of \$.80 million for repairs of two high rise developments from water damages.

Expenditures

In FY 2021, Administrative expenditures decreased by \$132,000 (-1.4%) from the previous year. However, smaller increases were seen in the cost of individual public housing developments as allocated overhead was increased by approximately \$100.000. However, these rises in costs were nullified by the decrease in the cost of administrative salaries and benefits as well as legal costs for SLHA and its properties as a result of staffing shortages attributable to the pandemic.

Resident Services expenditures also decreased slightly by \$41,528 (-9.9%) primarily due to the decrease in relocation costs associated with the temporary housing of those families displaced due to a small fire and sprinkler malfunction in one of the Public Housing high-rise developments from FY 2020 as well as staffing vacancies in the Resident Initiatives department.

Utility costs decreased in 2021 by \$146,424 (-3.6%). This decrease is utility costs and usage for Electricity, Water, Sewer, and Gas of \$154,470 together with an increase of \$8,046 attributed to the legal formula for the subsidy of mixed finance development utilities and the continued increase in sewage rates and fees since 2016 of 11% to the Metropolitan Sewer District contributed to the overall decrease in total. The increase satisfied a 2012 consent decree with the U.S. Environmental Protection Agency and the Missouri Coalition for the Environment to carry out \$4.7 billion in sewer system upgrades over the next 20 years. This was mitigated, however, through a reduction in consumption for FY 2021 due to the relocation of residents from Parkview and James House during the expenditure period to hotel rooms temporarily until repairs could be made.

Ordinary Maintenance expenditures decreased slightly by \$28,996 (-0.6%) as a direct result of a second year of COVID-19 and its ancillary effects. Throughout the pandemic, all site and maintenance staff were considered as "essential" employees and were still available at the developments. The slight decrease is caused by the continued increases in expenditure levels from prior to the pandemic.

Expenditures associated with Protective Services decreased by \$794,000 (-50.4%) that is largely due to the St. Louis Metropolitan Police contract not being signed or fully executed during FY 2021. Negotiations have concluded. The ICA has been signed by SLHA but is awaiting St. Louis Metropolitan Police signature and final execution.

General expenses increased by \$630,000 (9.6%) due to an increase in insurance premiums as a result of continued adjustment efforts made by our carrier underwriters. These increases were further intensified by an uptick in ACC Shortfall Reserve withdrawals as compared to FY 2020.

Extraordinary Maintenance expenditures that include Casualty Losses, also increased \$780,000 (538.3%) from the previous year owing to extensive repairs to water damaged units related to insurance claims for Parkview and James House.

The expenditures in the Housing Choice Voucher Program decreased by \$684,000 or (-1.4%). The lease up of units also decreased again in fiscal year 2021 from 2020. In addition, the per-unit cost (PUC) of housing assistance payments were averaging only \$621 from an average of \$628 per unit month from the previous year.

Interest Expenses and Depreciation Expenses were reduced by \$1.5 million (-18.5%) as a result of a gradual reduction of CFFP loan balances for the rehabilitation of Kingsbury and Cochran Plaza and corresponding interest expenses.

The combined result is an overall total expenditure decrease of roughly \$2.1 million (-2.4%). The following table reflects the SLHA's condensed summary of the Statement of Revenues, Expenses, and Changes in Net Position as of September 30, 2021.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of fiscal year-end 2021, SLHA had \$88.5 million invested in Capital Assets as reflected in the following schedule (additions, deductions, and depreciation), which represents a net decrease of \$2.9 million (-3.1%) from the end of FY 2020. As explained above, the decrease in Capital Assets is principally the result of an increase in accumulated depreciation.

SLHA's capital assets as of September 30, 2021, included land, buildings, improvements, and construction in progress that totaled \$273.1 million (without accumulated depreciation), which is comprised of Public Housing units available for lease to low- and moderate-income residents, new construction, and rehabilitation of existing stock.

This year's major projects (over \$1 million) are:

Capital Fund and Replacement Housing Factor Construction

1. LaSalle Park Village Renovation initiative (total cost \$12.3 million) encompasses the complete renovation of the interiors of this development, as well as investigation and major replacement of site sanitary and storm sewers and site amenities, such as sidewalks and parking area repair/replacement. Due to the major capital cost required to undertake and complete this

renovation work along with the continued reductions in Capital funding, completion of this project was planned to be accomplished over a period of four to five years in three separate phases:

- a. Phase I of the LaSalle Park Village Renovation (\$3.5 million) commenced bidding on September 22, 2015. Sealed bids were received and opened on December 17, 2015. Bid review and recommendation for award of contract was completed and a contract was issued. The notice to proceed was issued effective February 16, 2016. The project was declared substantially complete as of November 3, 2017.
- b. Phase II of the LaSalle Park Village Renovation (\$4.3 million) encompasses the renovation of six buildings containing 52 units. Sealed bids were received and opened on March 7, 2017. Bid review and recommendation for an award was completed and a contract was issued. The contractor received their notice to proceed on December 18, 2017. The contract completion was scheduled for December 28, 2018. However, due to building permit delays, the project did not begin until March 12, 2018. The contract was completed on August 2, 2019.
- c. Phase III of the LaSalle Park Village Renovation (\$4.5 million originally and increased to \$5.4 million) consisted of the renovation of the remaining 48 units left at the LaSalle Park development. Construction started on February 3, 2020. Due to COVID-19 related delays, cost increases, unforeseen conditions, and revisions to the scope of work a 20% increase in project costs was realized. This project continued in FY 2021 and was declared "Substantially Complete" on July 20, 2021, all but two units were occupied by August 27, 2021.
- 2. Preservation Square is a three-phase project being developed by McCormack Baron (\$4.5 million). The project consists of the construction of 131 new family units of which 19 are public housing units in Phase I. Construction of Phase I is on-going and the completion date has been revised from January 2022 to June 2022.

All major improvements were performed over multiple fiscal years. Therefore, only a portion of the project cost (for Authority-owned developments) indicated contributes to the increase in Capital Assets.

Debt

In May 2007, SLHA issued four series of private activity bonds (Series A, B, C, and D) for a total of approximately \$17.4 million to be used in conjunction with the Capital Fund Financing Program to modernize and rehabilitate the Kingsbury and Cochran Plaza developments. As of September 30, 2021 Series A and D were paid in full. The remaining series B and C revenue bonds of which \$755,000 in principle was repaid in 2021 for a total of \$12.1 million repaid to date and a current unmatured balance of \$5.3 million as shown in Table 5.

SLHA and the now dissolved SLHA Central Office Corp., a blended component unit, entered into a capital lease for solar panels. As part of the agreement, quarterly disbursements as well as monthly lease payments were required under the long-term agreement as set in an agreed upon repayment schedule. At year end, SLHA had an unmatured balance of \$88,523 of which \$2,620 was retired during FY 2021. In FY 2012, new solar panel capital lease debt of \$322,640 was issued to the SLHA Central Office Corp. of which \$8,040 was retired during FY 2021, leaving an unmatured balance of \$242,400 for the reporting period. The capital lease agreement for the solar panels was extended again for another year to legally amend or end the current agreement. Therefore, the lease payments were frozen to 2018 rates. The table below continues to show the capital lease liability for the solar panels for the Central Office building through the end of the fiscal year 2021.

It should be noted that SLHA's financial statements for FY 2021 include the December 31, 2020 activity for Kingsbury Associates, L.P. representing one of the remaining blended component units.

ECONOMIC FACTORS AFFECTING FUTURE YEARS

SLHA is dependent on federal funds from the U.S. Department of Housing and Urban Development (HUD) for funding of all its programs; therefore, SLHA is affected more by the federal budget than by the local economy. Dependency on HUD funds also subjects SLHA to changes in its financial position, resulting from significant changes in legislation.

The Coronavirus once again continues to concern the public's health and safety as well as future economic impacts as the reinstitution of mask mandates in many states, lower than anticipated vaccination rates and the emerging highly contagious Delta and Omicron variants. As a result, the

federal government has passed several legislations including the Coronavirus Aid, Relief, and Economic Security (CARES) Act (2020), the Coronavirus Response and Consolidated Appropriations Act (2021) and The American Rescue Plan to provide direct economic assistance for American workers, families, small businesses, and industries. The American Rescue Plan continues many of the programs started by the CARES Act (2020) and Consolidated Appropriations Act (2021) by adding new phases, new allocations, and new guidance to address issues related to the continuation of the COVID-19 pandemic. The American Rescue Plan also creates a variety of new programs to address continuing pandemic-related crises, and fund recovery efforts as the United States begins to emerge from the COVID-19 pandemic, including the Emergency Housing Voucher (EHV) program. The EHV program will assist individuals or families that are homeless, at risk of being homeless due to housing instability, and those who are or attempting to flee sexual assault, domestic violence, stalking, dating violence, or human trafficking. Initially the program is only funded for 18 months but is included in this budget since the majority of funds will be used in FY 2022.

In August 2021, the CDC issued an order temporarily halting evictions in counties with heightened levels of community transmission in order to respond to recent, unexpected developments in the trajectory of the COVID-19 pandemic, including the rise of the Delta variant. It was intended to target specific areas of the country where cases are rapidly increasing, which likely would be exacerbated by mass evictions. The Supreme Court has now agreed with a lower court ruling that states the CDC overstepped its bounds and cannot issue mandates – only Congress can. As this trickles down to PHAs and evictions begin again in earnest, it will be imperative that the evictions be done strategically as to minimize the effects on future Public Housing Assessment System (PHAS) and Section 8 Management Assessment Program (SEMAP) scores. It will also be critical to encourage tenants in arrears to participate in Tenant Repayment Agreements or other assistance through the Emergency Rental Assistance Program with the State of Missouri or the City of St. Louis.

The continued underfunding of Public Housing Operating Subsidy and emergency expenditures due to chronic deferred maintenance is steadily reducing the cash reserves to fund many developments. It is anticipated that the financial score portion (FASS) of the overall PHAS score for FY 2022 and beyond may be affected. As a response to this continued underfunding, SLHA will begin exploring the Rental Assistance Demonstration (RAD) program conversion. A RAD conversion allows public housing agencies to leverage public and private debt and equity in order to reinvest in the public housing stock as identified in the soon to be completed SLHA's Physical Needs Assessment. In RAD, all public housing units will move to Section 8 properties and residents benefit from a right of return, a prohibition against re-screening, and robust notification and relocation rights. Residents continue to pay 30% of their adjusted income towards the rent, maintain the same basic rights as they possess in the public housing program, and gain a new option to request tenant-based assistance if they wish to subsequently move from the property.

With Public Housing Authorities Directors Association (PHADA) and The National Association of Housing and Redevelopment Officials (NAHRO) as the lead plaintiffs, a lawsuit was filed on January 3, 2013 based on the claim that HUD's offset breached the Annual Contributions Contract (ACC) of the PHA Plaintiffs in 2012 when "rather than reducing their subsidy payments by a uniform percentage (pro-rata basis), it first offset each PHA's payment by a figure that varied from one PHA to another – the amount of its excess operating reserves." The judge agreed that HUD had breached its [contractual] obligations under the ACCs when it applied the [excess] operating [reserves] offset in response to the 2012 Appropriations Act, rather than the pro rata reduction prescribed by HUD's regulations. The

PHA Plaintiffs were awarded compensatory damages of almost \$136 million. On August 1, 2017, SLHA agreed to participate in the second round of 2012 offset litigation. PHADA estimates the potential damages could be up to \$5,398,000. The second round of offset litigation has finally been settled and no further appeals will be filed by the government. We hope to receive damages sometime in mid-2022.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies of the St. Louis Housing Authority:

1. Organization

St. Louis Housing Authority

The St. Louis Housing Authority was established for the purpose of engaging in the development, acquisition, and administrative activities of the low-income housing program and other programs with similar objectives. The U.S. Department of Housing and Urban Development (HUD) has direct responsibility for administering the low-income housing program under the U.S. Housing Act of 1937, as amended. HUD is authorized to enter into contracts with local housing authorities to make grants to assist the local housing authorities in financing the acquisition, construction, and/or leasing of housing units and to make annual contributions or "subsidies" to the local housing authorities for the purpose of maintaining the low-rent character of the local housing program.

2. Reporting Entity

The St. Louis Housing Authority includes the low-rent public housing program, capital fund program, rental assistance programs and various grants from HUD. The developments included under the low-rent public housing program are operated by various management companies. The management companies are required to obtain audits for each development they operate. For financial reporting purposes, the St. Louis Housing Authority (primary government) includes Kingsbury Associates, L.P. as a blended component unit. The blended component unit, although a legally separate entity is, in substance, part of the St. Louis Housing Authority's operations and so data from this unit are combined with data of the St. Louis Housing Authority.

Blended Component Unit

Kingsbury Associates, L.P.

Kingsbury Associates, L.P. is a limited partnership that was formed on May 1, 2007 as the ownership entity of Kingsbury Terrace Apartments, a 120 unit mixed finance public housing development.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

2. Reporting Entity – Continued

Kingsbury Associates, L.P. - Continued

The limited partnership has two members. The general partner is the SLHA Capital Fund Corporation. U.S. Bank Community Development Corporation, a former limited partner, sold its interest of 99.98% in the partnership to USB LIHTC Fund 2012-6, L.L.C. effective July 10, 2012. SLHA Capital Fund Corporation, the general partner and U.S. Bancorp Missouri Low-Income, a limited partner, each has .01% interest in the partnership. The general partner controls all the operations of the partnership.

The SLHA Capital Fund Corporation was formed to assist the St. Louis Housing Authority in the financing of capital improvements to public housing units and to facilitate, engage in, assist in and otherwise carry out, either individually or in cooperation with other entities, either public or private any part of the development and/or operations related to public housing in furtherance of the purposes of the Housing Authority. The policies are determined by a three-member board all of which are employees of the St. Louis Housing Authority or members of the St. Louis Housing Authority Board of Commissioners. The SLHA Capital Fund Corporation has no employees and all staff work is done by the SLHA staff or by consultants to the SLHA Capital Fund Corporation.

Kingsbury Associates, L.P., and the St. Louis Housing Authority have a financial and operational relationship which requires that Kingsbury Associates, L.P.'s financial statements be blended into the St. Louis Housing Authority financial statements because SLHA Capital Fund Corporation controls the operation of the limited partnership. Kingsbury Associates, L.P. has a fiscal year end of December 31.

3. Basis of Presentation

The St. Louis Housing Authority's financial statements are prepared in accordance with accounting principles generally accepted in the United States (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

3. Basis of Presentation - Continued

The financial transactions of the St. Louis Housing Authority are reported in an individual fund. The fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses. The St. Louis Housing Authority uses an enterprise fund which is a proprietary fund type. The focus of proprietary fund measurement is upon determination of operating income, changes in net position, financial position, and cash flows. The accounting principles generally accepted in the United States of America applicable are those similar to businesses in the private sector.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and delivering goods in connection with a proprietary fund's ongoing operations. The principal operating revenues of the St. Louis Housing Authority are charges for tenant rents. Operating expenses for the St. Louis Housing Authority include the cost of services, administrative expenses, depreciation on capital assets, and housing assistance payments.

All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

4. Basis of Accounting

The St. Louis Housing Authority's accounts are maintained as an enterprise fund type, which is accounted for on an economic resources measurement focus using the accrual basis of accounting. Revenue is recorded when revenue is earned, expenses are recorded at the time expenses are incurred, and liabilities are recorded at the time liabilities are incurred. When both restricted and unrestricted resources are available for use, then it is the St. Louis Housing Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

5. <u>Estimates and Assumptions</u>

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

6. <u>Cash and Investments</u>

Cash, savings accounts, checking accounts, and certificates of deposit with maturity dates of three months or less are considered cash and cash equivalents for purposes of the statement of cash flows. The St. Louis Housing Authority maintains all deposits in bank accounts in the name of the St. Louis Housing Authority.

Investments are stated at fair value. The St. Louis Housing Authority is invested in the following HUD approved investments:

- Direct obligations of the federal government backed by the full faith and credit of the United States.
- Obligations of government agencies.
- Securities of government sponsored agencies.
- Demand and savings deposits.
- Time deposits and repurchase agreements.

7. Accounts Receivable

The St. Louis Housing Authority determines the allowance for doubtful accounts for tenant dwelling rents based on a review of the current status of the existing receivables. All other receivables are considered to be fully collectable.

8. Notes Receivable

The St. Louis Housing Authority has seven types of notes receivable: mixed finance, related party, capital project, development project, pass through, homeownership mortgage, and homeownership construction.

<u>Capital project, development project, and pass through notes receivable</u> - Capital project, development project, and pass through notes receivable are expected to be paid back according to their respective note agreement.

<u>Related party notes receivable</u> – Related party notes receivable are to the blended component unit and are eliminated along with the corresponding notes payable.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

8. Notes Receivable - Continued

<u>Mixed finance notes receivable</u> - The St. Louis Housing Authority has outstanding notes receivable with mixed finance low-income housing projects. These notes receivable were established in order to secure public housing units for low income families in St. Louis, Missouri. Actual repayment of these notes receivable is considered unlikely. Management has determined that these notes receivables represent a prepaid asset for the future guarantee of low-income public housing units. The notes receivable are amortized over the period that the limited partnerships guarantees the public housing units, typically 40 years. Mixed finance low-income housing projects still in construction are not amortized until they are placed in service.

Amortization of the mixed finance notes receivable is accounted for by an annual increase in the amortization of notes receivable contra asset accounts. The notes receivable prepaid asset is evaluated annually for impairment. Impairment criteria are related to the likelihood of the limited partnerships to continue to provide public housing units. Payments received from the limited partnerships are not expected. In the event a limited partnership makes a payment from available cash flow, the payment is recorded as current year income.

<u>Homeownership mortgage receivable</u> - Homeownership second mortgages are recorded at the original face value and amortized over the period of forgiveness as prescribed in the mortgage agreement. Loan forgiveness amortization expense is recorded in general expenses in the statement of activities. If the homeowner transfers ownership of the property prior to or during the forgiveness period to another qualifying low-income individual, the second mortgage transfers to the new homeowner and forgiveness continues. If the homeowner transfers ownership of the property prior to or during the forgiveness period to a party other than a qualifying low-income individual, the balance of the second mortgage becomes payable.

<u>Homeownership construction notes receivable</u> – Homeownership construction notes receivable are intended to be converted to homeowner mortgage receivable in the future as properties constructed are sold to qualifying low-income homeowners.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

9. <u>Capital Assets</u>

Assets which cost more than \$5,000 or with a useful life of more than one year are capitalized. Capital assets are recorded at cost, or if contributed property, at their fair value at the time of contribution. Repairs and maintenance are recorded as expenses; improvements and additions are capitalized. Depreciation is provided over the estimated useful lives, between 5 years and 31.5 years, for the respective assets using the straight-line method.

10. Net Position Classification

Net position is required to be classified into three components – net investment in capital assets, net of related debt; restricted and unrestricted. These classifications are defined as follows:

Net Investment in Capital Assets

This component of net position consists of capital assets, net of accumulated depreciation and costs to be recovered from future revenues, reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt.

Restricted

This component of net position consists of constraints placed on net position use through external constraints imposed by creditors (such as through debt covenants), contributors, or law or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted

This component of net position consists of net position that do not meet the definition of "restricted" or "invested in capital assets, net of related debt." When both restricted and unrestricted resources are available for use, it is the St. Louis Housing Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

11. <u>Inter-Fund Transactions</u>

Inter-fund transactions are reflected as loans, services provided, reimbursements, or transfers. Loans, which are reported as receivables and payables, are subject to elimination upon consolidation and are referred to as either "due to/from other funds" or "advances to/from other funds."

Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund, and reduces its related cost as a reimbursement. All other inter-fund transactions are treated as transfers.

12. <u>Income Taxes</u>

St. Louis Housing Authority is exempt from Federal and State income taxes as a governmental subdivision of the State of Missouri.

Under provisions of the Internal Revenue Code and applicable state laws, Kingsbury Associates, L.P. (the Partnership) is not directly subject to federal income taxes. The results of its operations are includable in the tax returns of its partners. Therefore, no provision for income tax expense has been included in the accompanying financial statements. The Partnership is located within the City of St. Louis (the City). The City does not recognize the pass-through status of the Partnership, and charges an income tax to the partnership.

Under the provisions of the Nonprofit Corporation Law of Missouri, the SLHA Capital Fund is not subject to State of Missouri taxes. The SLHA Capital Fund, however, has not been granted tax exempt status under provisions of the Internal Revenue Code.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

13. <u>Compensated Absences</u>

The St. Louis Housing Authority's policy allows employees to accumulate unused sick leave and vacation leave up to 440 hours for line staff and 480 hours for Supervisors, Managers, Directors, and the General Counsel. Upon termination, accumulated vacation leave will be paid out up to the maximum carryover of hours and accumulated sick leave will be paid out based on one hour of pay for every five hours of sick leave accrued, up to a maximum of eighty hours.

14. Comparative Financial Statements

The financial statements include certain prior-year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2020, from which the summarized information was derived.

15. Recent Accounting Pronouncements:

New Accounting Pronouncements Not Yet Adopted

• In June 2017, GASB issued Statement No. 87 *Leases*. This Statement will increase the usefulness of governments' financial statements by requiring reporting of certain lease liabilities that currently are not reported. This Statement will be effective for the Authority's year ending September 30, 2022.

NOTE B. CASH AND INVESTMENTS

1. <u>Custodial Credit Risk - Deposits</u>

Custodial credit risk is the risk that in the event of a bank failure, the St. Louis Housing Authority's deposits may not be returned to it. NOTE J. CONTINGENCIES

The St. Louis Housing Authority participates in a number of federal programs, which are subject to financial and compliance audits by the granting agencies. The amount of expenses, if any, which may be disallowed by the granting agencies, is not determinable at this time; however, management does not believe that such amount, if any, would be significant.

The St. Louis Housing Authority is a defendant in two lawsuits arising in the normal course of business. To the extent the outcome of such litigation has been determined to result in probable loss to the Authority, such loss has been accrued in the accompanying financial statements. The Authority estimates such loss to total \$425,000.

NOTE K. COMMITMENTS

The St. Louis Housing Authority has approximately \$37,362,665 obligated to expend for Capital Grant Programs. These funds have been obligated as required by the grant program. As of September 30, 2021, \$31,659,587 of these obligations have been expended and \$5,703,078 of the obligations are unexpended.

NOTE L. ECONOMIC DEPENDENCY

The St. Louis Housing Authority relied on the U.S. Department of Housing and Urban Development for approximately 94.78% of its revenue.

NOTE M. PENSION PLAN

The St. Louis Housing Authority Retirement Plan is a 100% employer-funded defined contribution pension plan intended to meet the requirements under Internal Revenue Code Section 401(a). The Plan is a "governmental plan" within the meaning of Section 414(d) of the Code. Employees do not contribute to it. The Authority makes contributions on behalf of each eligible employee in an amount equal to 12.70675 percent of compensation. Employees become fully vested in the employer contributions and related earnings after five years of service.

The St. Louis Housing Authority has the authority to adopt amendments regarding the provisions and administration of the Plan. For the year ended September 30, 2021, the St. Louis Housing Authority's 12.70675% portion has been charged to the employee fringe benefit account and was estimated by management to be \$416,097.

NOTE N. RISK MANAGEMENT

The St. Louis Housing Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The St. Louis Housing Authority carries commercial insurance for its risks. The Authority contracts with reputable carriers and utilizes deductibles up to \$25,000. For worker's compensation the St. Louis Housing Authority pays for all claims up to \$500,000. The excess carrier pays for claims that exceed \$500,000, up to \$2,000,000 per claim, for a total per claim coverage of \$2,500,000. The St. Louis Housing Authority maintains an investment of \$350,000 in favor of the Department of Labor and Industrial Relations for the State of Missouri. Such instrument would be used by the State to pay workman's compensation claims should the St. Louis Housing Authority become insolvent.

NOTE O. PRIOR PERIOD ADJUSTMENT

A prior year reclassification of allocated salary expenses in the Housing Choice Voucher program (\$6,244) and the Other Projects (\$1,399) resulted in an understatement of unrestricted net position as of the year ended September 30, 2020, in the amount of \$7,942. These allocated expenses were reclassed to the ROSS FSS program during the months of October 2020 to December 2020, which are months within our fiscal year ending September 30, 2021. As a result, the net position increased.

NOTE P. COVID-19 PANDEMIC

The COVID-19 pandemic, whose effects first became known in January 2020, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Partnership is closely monitoring its liquidity and is actively working to minimize the impact of the pandemic. The extent of the impact of COVID-19 on the St. Louis Housing Authority's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Organization's customers, employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Housing Authority's financial position and changes in net position and cash flows is uncertain and the accompanying consolidated financial statements include no adjustments relating to the effects of this pandemic.

NOTE P. COVID-19 PANDEMIC - CONTINUED

The St. Louis Housing Authority (SLHA) was awarded \$1,648,157 in Operating Funding (PIH Notice 20-07) and two disbursements of Housing Choice Voucher administrative funds totaling \$1,862,115 (PIH Notice 20-08 and 20-18) through the Coronavirus Aid, Relief, and Economic Security (CARES) Act to Public Housing Authorities (PHAs) enacted March 27, 2020. The funding was allocated to PHAs via the Operating Fund formula to prevent, prepare for, and respond to coronavirus, including for public housing agencies to maintain normal operations and take other necessary actions during the period the program is impacted by coronavirus. In addition, the U.S. Department of Housing and Urban Development (HUD) issued broad waiver authority and flexibilities to allow PHA's to continue the mission of providing decent, safe, and affordable housing including suspending many regulations and scoring. The original PIH Notices were revised to extend the original expenditure deadline to December 31, 2021. During the year ended September 30, 2021 the Authority received \$786,890 for the Public and Indian Housing program and \$1,500,364 for the Section 8 Housing Choice Vouchers program.

NOTE O. ELIMINATING ENTRIES

Certain transactions between the St. Louis Housing Authority and its blended component units have been eliminated in the financial statements. Kingsbury Associates, L.P. and the SLHA Capital Fund Corporation have a December 31 year end while the St. Louis Housing Authority has a September 30 year end. Due to the differences in the year end between the St. Louis Housing Authority and its component units a net amount of \$103,058 has been shown on the statement of net position as inter-fund activity.

This amount represents the inter-company transactions that could not be eliminated due to the differences in the year end between the St. Louis Housing Authority and its blended component unit.

St. Louis Housing Authority NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the year ended September 30, 2021

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. <u>Basis of Presentation</u>

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the St. Louis Housing Authority (the Authority) under programs of the federal government for the year ended September 30, 2021. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Authority.

2. <u>Basis of Accounting</u>

The schedule of expenditures of federal awards is presented on the full accrual basis of accounting.

3. <u>Contingencies</u>

During the normal course of business, the St. Louis Housing Authority receives funds from the United States Government for program services. Substantially all of these funds are subject to future audit by the U. S. Department of Housing and Urban Development, however, it is management's opinion that resulting adjustments, if any, would not have a material effect upon the accompanying financial statements.

3. De Minimis Indirect Cost Rate

The Commission has elected not to charge the 10% de minimis indirect cost rate to its federal award programs.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners St. Louis Housing Authority St. Louis, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Louis Housing Authority as of and for the year ended September 30, 2021, and its blended component units as of December 31, 2020, and the related notes to the financial statements, which comprise the St. Louis Housing Authority's basic financial statements and have issued our report thereon dated June 15, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the St. Louis Housing Authority's internal control over financial reporting (internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of St. Louis Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of St. Louis Housing Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether of St. Louis Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the St. Louis Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the St. Louis Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners St. Louis Housing Authority St. Louis, Missouri

Report on Compliance for Each Major Federal Program

We have audited St. Louis Housing Authority's compliance with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the St. Louis Housing Authority's major federal programs for the year ended September 30, 2021. The St. Louis Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the St. Louis Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the St. Louis Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the St. Louis Housing Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the St. Louis Housing Authority complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each major federal program for the year ended September 30, 2021.

Report on Internal Control Over Compliance

Management of St. Louis Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the St. Louis Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of St. Louis Housing Authority's internal control over compliance.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be material weaknesses and significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

II. FINDINGS AND QUESTIONED COSTS-MAJOR FEDERAL AWARD PROGRAMS

2020-001: Failure to Abate Assistance Subsequent to Failed Property Inspections

<u>Condition</u> – As part of our audit procedures, we evaluated the procedures related to the property inspections of participants of the Section 8 Housing Choice Voucher Program required by the U.S. Department of Housing and Urban Development (HUD). During the audit we noted the Housing Authority failed to follow up on 4 of the 40 failed inspections we reviewed.

<u>Criteria</u> – HUD requires the Housing Authority perform annual property inspections of voucher participants, to follow-up on all failed inspections within a specific timeframe, and to abate assistance payments if the reasons for failure have not been resolved.

<u>Cause</u> – Lack of control regarding documentation and follow-up.

<u>Effect</u> – An increased risk that the Housing Authority will not take proper actions to abate assistance to ineligible housing.

Questioned Costs - None.

<u>Recommendation</u> — We recommend the Housing Authority review current tenant files to ensure property inspection status is up to date and implement controls to ensure the necessary follow-up to inspections is performed.

<u>Management's Response</u> - The Housing Authority accepts the recommendation and acknowledge that sufficient documentation pertaining to failed inspections was not present. A new Inspection Supervisor was hired in July 2021 and SLHA has contracted with McCright & Associates to perform inspections on those units where owner self-certifications were allowed under the HUD COVID-19 waivers during the pandemic, and these parties will ensure that abatements occur in a timely fashion. The Supervisor will review inspection results on a monthly basis and generate an Abatement Report to ensure that required abatements occur in a timely fashion. Current Inspection staff will be closely monitored to ensure that all pertinent information relative to inspections are recorded in the Yardi system.

2020-001: Failure to Abate Assistance Subsequent to Failed Property Inspections - Continued

Follow-up with Management – Management has used the recommendations provided and have implemented the controls procedures listed in management's response. There were no findings related to this issue during our audit of the year ended September 30, 2021.

2020-002: Absence of Sufficient Documentation required by HUD

<u>Condition</u> – As part of our audit procedures, we evaluated the availability of documentation required by the U.S. Department of Housing and Urban Development (HUD). During the audit of the Section 8 Housing Choice Voucher Program we noted the absence of sufficient documentation maintained for 12 of the 80 tenant files reviewed.

<u>Criteria</u> – HUD requires the Housing Authority obtain and maintain appropriate documentation for all voucher participants and to properly document communications, inspection results, reasons for failure, and resolutions of annual property inspections.

<u>Cause</u> – Lack of control regarding documentation.

<u>Effect</u> – An increased risk exists that the Housing Authority will lack necessary information to perform annual assessments and may fail to follow through with appropriate resolutions to failed inspections.

Questioned Costs – None.

<u>Recommendation</u> — We recommend the Housing Authority review current tenant files to ensure the necessary documentation is available and implement a periodic review process to ensure documentation is being added to new tenant files going forward.

<u>Management's Response</u> – The Housing Authority accepts the recommendation and acknowledge that sufficient documentation pertaining to tenant files was not present. A new Inspection Supervisor was hired in July 2021 and SLHA has contracted with McCright & Associates to perform inspections on those units where owner self-certifications were allowed under the HUD COVID-19 waivers during the pandemic, and these parties will ensure that abatements occur in a timely fashion. The Supervisor will review inspection results on a monthly basis and generate an Abatement Report to ensure that required abatements occur in a timely fashion. Current Inspection staff will be closely monitored to ensure that all pertinent information is recorded in the Yardi system.
