INDEPENDENT AUDITOR'S REPORT

Board of Commissioners St. Louis Housing Authority St. Louis, Missouri

Report on the Financial Statements

Opinions

We have audited the accompanying financial statements of St. Louis Housing Authority as of and for the year ended September 30, 2022, and its blended component unit as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the St. Louis Housing Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the St. Louis Housing Authority as of September 30, 2022, and its blended component unit as of December 31, 2021, and the respective changes in financial position, and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described in Note F to the financial statements, effective October 1, 2021, the City adopted Government Accounting Standards Board Statement No. 87, Leases. Our opinions are not modified in respect to this matter.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the St. Louis Housing Authority and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The St. Louis Housing Authority's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the St. Louis Housing Authority's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the St. Louis Housing Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the St. Louis Housing Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control—related matters that we identified during the audit.

Required Supplemental Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 6 through 18 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Supplementary Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the St. Louis Housing Authority's basic financial statements. The financial data schedule, and the statement and certification of actual modernization cost certificates in the accompanying supplemental information, as listed in the table of contents, are presented for the purpose of additional analysis and are not a required part of the basic financial statements of the St. Louis Housing Authority. The schedule of expenditures of federal awards and related notes on pages 51 through 52 is presented for purposes of additional analysis as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Local Governments, and Non-Profit Organizations, and is also not a required part of the basic financial statements.

The financial data schedule, the statement and certification of actual modernization cost certificates, and the schedule of expenditures of federal awards in the accompanying supplemental information, are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the financial data schedule, the statement and certification of actual modernization cost certificates, and the schedule of expenditures of federal awards are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 26, 2023 on our consideration of the St. Louis Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the St. Louis Housing Authority's internal control over financial reporting and compliance.

Report on Summarized Comparative Information

We have previously audited the St. Louis Housing Authority's September 30, 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated November 11, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Hayes & Associates, L.L.C.

Hayes & Associates, LLC

Omaha, Nebraska

June 26, 2023

The St. Louis Housing Authority's (SLHA) Management's Discussion and Analysis (MD&A) provides readers of the annual financial statement with a narrative overview and analysis of the financial activities of SLHA for the fiscal year ending September 30, 2022. It is designed to (a) assist readers in focusing on significant financial issues, (b) provide an overview of SLHA's financial activity, (c) identify changes in SLHA's financial position and (d) identify individual fund issues or concerns.

FINANCIAL HIGHLIGHTS

In compliance with all GASB pronouncements, SLHA's single business-type activities financial statements for fiscal year (FY) 2022 report on all of SLHA's assets, liabilities, revenues, expenses, and net position for the programs it administers. In summary, SLHA's FY 2022 financial highlights include the following:

- As reported in the FY 2021 MD&A, SLHA participated in the second round of a lawsuit against HUD based on the claim that HUD's offset breached the Annual Contributions Contract (ACC) of the PHA Plaintiffs in 2012 when "rather than reducing their subsidy payments by a uniform percentage (pro-rata basis), it first offset each PHA's payment by a figure that varied from one PHA to another the amount of its excess operating reserves." A judge in the first lawsuit awarded compensatory damages of almost \$136 million. On August 1, 2017, SLHA agreed to participate in the second round of 2012 offset litigation. The second round of offset litigation was eventually settled and an award of \$5,398,000 was received on June 7, 2022.
- Phase III of the LaSalle Park Village Renovation (\$5.4 million) consisted of the renovation of
 the remaining 48 units left at the LaSalle Park development. Construction was substantially
 complete on July 20, 2021, and was fully occupied in August 2021. All claims with the general
 contractor have been negotiated and resolved with the final contract closeout anticipated to be
 completed in mid-April 2023.
- New construction of Preservation Square (total cost \$4.5 million RHF grant). The project consists of the construction of 131 new family units of which 19 are public housing units in Phase I. Construction of Phase I is nearing conclusion, however, the completion date has been revised from June 2022 to October 2022.
- Total revenues (including capital contributions) decreased significantly by \$15.6 million (-16.9%) during FY 2022 to pre-COVID levels of FY 2020 and FY 2019. Public Housing tenant revenue has continued to be low with only a marginal reduction of \$85,435 (-2.6%) as a result of low occupancy rates and a reduction in unit turnover due to continuing maintenance staff shortages. Operating Subsidies and Grants are \$6.6 million (-8.8%) less overall and are reflective of the prior years increase in COVID-19 funding that have now stabilized to pre-COVID levels as well. In addition, Capital Fund deposits also decreased by \$3.9 million (-51.3%) due to the completion of the LaSalle Park renovations in the previous year and a reduction of expenses in the current year due to the near completion of the Preservation Square project. Moreover, Other Revenue also decreased by \$5.1 million to reflect the lawsuit settlement proceeds recorded in FY 2021.

- Total expenses decreased by approximately \$2.0 million (2.3%) in FY 2022. Total expenses were \$82.0 million and \$84.0 million for FY 2022 and FY 2021, respectively.
- The average monthly Housing Assistance Payment paid in CY 2022 was \$627 per unit, a decrease of 1% over the average amount paid in CY 2021 of \$636 per unit.

USING THIS ANNUAL REPORT

Implementation of GASB 34 requires a specific presentation of SLHA's financial statements. The following graphic outline provides a guide for the presentation.

Introductory Section

Transmittal Letter General Information

MD&A

Management's Discussion and Analysis (this section)

Basic Financial Statements

Financial Statements
Notes to Financial Statements

Other Required Supplemental Information

Required Supplementary Information

Annual Financial Statements

Financial statements are prepared on a full accrual basis to present information in a more corporatelike presentation.

GASB 34 and 62 also require identification of certain types of financial activities. The activities are:

- Governmental Activities This activity includes a local entity's basic services including public safety, public works, health, parks, planning, cultural and economic development and general administration. These activities are supported primarily with general revenue such as sales taxes, gross receipts taxes; P.I.L.O.T., property taxes, fines and specific program revenue like permit fees and grants.
- Business-Type Activities This activity includes a local entity's activities that derive revenue from charges for services that are intended to recoup the full cost of operations.

SLHA only engages in business-type activities and its financial statements include three separate legal entities in this report SLHA, SLHA Capital Fund Corp. and Kingsbury Associates L.P. as well as blended component units; SLHA Capital Fund Corp. and Kingsbury Associates L.P. Component units are described as organizations that are legally separate from the SLHA for which SLHA is financially accountable. Blended component units are component units that are so intertwined with the primary government that they are, in substance, the same as the primary government and are presented as part of the primary government. SLHA's blended component units are described in more detail in Note A (2) on page 22 in the "Notes to Financial Statements" section of the Basic Financial Statements.

Financial Statements

The financial statements are designed to show all business-type activities in a consolidated format. Three components are included:

- 1. <u>Statement of Net Position</u>, which is similar to a Balance Sheet. The Statement of Net Position reports all financial and capital resources for SLHA. The statement is presented in the format where assets, equals liabilities, plus "Net Position", formerly known as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year) and "Non-current". Net Position is reported in three broad categories:
 - a. Net Investment in Capital Assets: This component of Net Position consists of all Capital Assets, reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
 - b. <u>Restricted Net Position</u>: This component of Net Position consists of restricted assets, when constraints are placed on the asset by creditors (such as debt covenants), grantors, contributors, laws, regulations, etc.
 - c. <u>Unrestricted Net Position</u>: Consists of Net Position that do not meet the definition of "Net Investment in Capital Assets", or "Restricted Net Position".
- 2. The financial statements also include a <u>Statement of Revenues</u>, <u>Expenses and Changes in Net Position</u> (similar to an Income Statement). This Statement includes Operating Revenues, such as rental income, Operating Expenses, such as administrative, utilities, and maintenance, and depreciation, and Non-Operating Revenue and Expenses, such as grant revenue, investment income and interest expense. The focus of the Statement of Revenues, Expenses and Changes in Net Position is similar to Net Income or Loss. The Changes in Net Position section shows how the Net Position is impacted by income and expenses of the current year. In effect, this amount shows the increase or decrease in "Equity" that was added or removed from the Statement of Net Position as a result of the income and expenses of the current year.
- 3. Finally, a <u>Statement of Cash Flows</u> is included that lists the detailed line items in the financial statements that added cash or removed cash from the SLHA's cash accounts during the year. Consequently, it reveals the change in the cash balance from the beginning of the year to the end of the year.

SLHA's funds consist of exclusively enterprise funds. Enterprise funds utilize the full accrual basis of accounting and are similar to accounting utilized by the private sector accounting. The financial data schedule includes separate columns for different types of funding sources. SLHA has determined that all of the proprietary fund activities fall under one major program of providing housing assistance to the public. As such, SLHA presents its financial statements in a single column format.

FINANCIAL ANALYSIS

Statement of Net Position

SLHA's total net position decreased by nearly \$5.2 million (-2.7%) from \$191.4 million in FY 2021 to \$186.2 million in FY 2022. The following analysis reflects SLHA's condensed summary of the Statement of Net Position as of September 30, 2022.

TABLE 1 STATEMENT OF NET POSITION

	FY 2022	FY 2021
Current Assets	\$38,314,504	\$38,752,994
Capital Assets	\$84,641,805	\$88,468,366
Other Non-Current Assets	\$71,150,307	\$73,038,183
Total Assets	\$194,106,616	\$200,259,543
Current Liabilities	\$2,998,762	\$3,067,888
Long-Term Liabilities	\$4,900,632	\$5,758,339
Total Liabilities	\$7,899,394	\$8,826,227
Net Investment in Capital Assets	\$79,769,929	\$82,802,443
Restricted Net Position	\$80,479,003	\$86,113,494
Unrestricted Net Position	\$25,958,290	\$22,517,379
Total Net Position	\$186,207,222	\$191,433,316

Assets

The net change in assets overall decreased by \$6.2 million (-3.1%). This decrease in assets is in large part due to a reduction in Noncurrent Assets such as notes receivable and the value of Capital Assets due to depreciation and amortization respectively.

As shown in Table 1 above, overall, current assets decreased slightly by \$0.5 million (-1.1%) in 2022, largely due mainly to unpaid rents due to the after effects of the pandemic in tenant accounts receivable and not offset with state or other rental assistance programs or tenant repayment agreements.

Capital Assets, Net of Related Debt decreased just under \$3.8 million (-4.3%) primarily because of an annual increase in accumulated depreciation. This decrease was somewhat tempered by the increase in construction work in progress (CIP) with several modernization projects still underway requiring extensive unit rehabilitation but have not yet been completed and capitalized.

Non-Current assets (notes receivable) decreased just over \$1.9 million (-2.6%) overall as a result of both continued amortization mitigated by the final increases in notes receivable for Preservation Square. In addition, in keeping with new GASB Statement No. 87 *Leases* as mentioned in Note 15 of the audited financial statements a new Non-Current Asset listed as "Leased Assets" was added to this category. The St. Louis Housing Authority's financial statement as of September 30, 2021, have also been adjusted as a result of the implementation of this standard.

As mentioned in previous Management Discussion and Analysis reports, costs of construction for mixed-finance projects that are being funded from capital sources (Capital Fund and/or HOPE VI) through a SLHA loan are recorded as an expense and an increase to the Notes Receivable after each construction draw request is paid. At year end, construction expenditures are analyzed for each independent mixed-finance project to determine the total amount of costs incurred during the current fiscal year for each project where a promissory note has been executed. The balance of the Notes Receivable for each independent project in progress is then transferred from the capital source to the Public Housing Low Rent Program in the corresponding Asset Management Project (AMP) fund through an inter-program transfer.

Liabilities

The net change in overall liabilities lessened by approximately \$0.9 million (-10.5%) in FY 2022. Liabilities are divided into current and long-term liabilities.

Current liabilities decreased by \$69,126 over FY 2021. A small decrease of \$10,334 in deferred revenue related to the remainder of Housing Choice Voucher CARES Act funding of \$0.3 million was offset by deferred compensation of near the same amount for the Emergency Housing Voucher (EHV) program in keeping with HUD guidance. A further decline in accrued wages, accrued interest and other accrued liabilities including the current portion of accrued compensated absences that together fell nearly \$.03 million as a result of long term employee retirements from new staff that don't have the level of paid absences as prior years contributed to the decline. These reductions were mitigated by a growth in accounts payable related to modernization efforts for exterior renovations at Parkview and Lookaway developments of \$0.2 million and the current portion of lease payables (as a result of the new implementation of GASB 87) and bonds payables of \$0.1 million added to the overall decrease in current liabilities.

In 2022, long-term liabilities decreased by approximately \$0.9 million. The long-term liabilities will continue to decrease annually as a result of the payment of long-term bonds outstanding, including principle and interest, for the rehabilitation of Kingsbury and Cochran Plaza.

Net Position

Net Investment in Capital Assets decreased by approximately \$3.0 million. Restricted Net Position decreased by \$5.6 million and Unrestricted Net Position increased by \$3.4 million, because of a number of factors as discussed in the asset and liability sections above including the recording of amortization expenses and higher than normal cash due to the expected receipt of legal damages in FY 2022. This resulted in a net loss of \$5.2 million.

Changes in Revenues, Expenses and Net Position

Total revenues (including capital contributions) decreased by \$15.6 million from \$92.4 million in FY 2021 to \$76.8 million in FY 2022 for a net decrease of 16.9%. Total expenses decreased in the current fiscal year by \$2.0 million from \$84.0 million in FY 2022 to \$82.0 million in FY 2021 for a net decrease of 2.4%. This results in a total decrease in the Change of Net Position of \$13.7 million from FY 2021. A further explanation of each of these components is included below:

TABLE 2 STATEMENT OF REVENUES, EXPENSES, AND CHANGES IN NET POSITION

	FY 2022	FY 2021
Revenues		
Tenant Revenue - Rents and Other	\$3,226,771	\$3,312,206
Operating Subsidies and Grants	\$64,307,650	\$72,244,016
Capital Grants	\$7,458,391	\$9,997,030
Investment Income – Unrestricted	\$16,028	\$8,778
Investment Income – Restricted	\$19,811	\$12,289
Other Revenue	\$1,788,179	\$6,884,452
Total Revenue	\$76,816,830	\$92,458,771
Expenses		
Administrative	\$9,248,440	\$9,148,035
Tenant (Resident) Services	\$194,814	\$378,884
Utilities	\$4,555,871	\$3,936,675
Maintenance	\$5,256,271	\$5,003,842
Protective Services	\$401,876	\$781,044
General	\$7,424,846	\$7,208,034
Non-Routine Maintenance	\$927,201	\$924,807
Housing Assistance Payments	\$47,567,486	\$49,847,384
Loss (Gain) on disposal of a fixed asset	\$0	\$10,667
Interest Expense	\$235,076	\$271,836
Depreciation	\$5,949,293	\$6,,487,313
Prior Period Adjustments	\$281,885	(\$7,642)
Total Expenses	\$82,043,059	\$83,990,879
Change in Net Position	(\$5,226,229)	\$8,467,892

Revenues

Rents and other tenant charges decreased slightly by \$85,435 (2.6%) in 2022. This was precipitated primarily from lower than normal rents charged in some developments due to income changes and continued unit vacancies from a lack of ready apartments available as a result of challenges with maintenance staffing as discussed in the Financial Highlight section as well as a stale waitlist for most public housing developments. It is anticipated in 2023, that a waitlist opening event will be scheduled in June 2023 to allow a new list of applicants to be established for most public housing developments.

Capital Fund Grants, also decreased by \$3.9 million (51.3%) in part due to the completion of the rehabilitation and modernization of LaSalle Park including the winding down of construction for Phase III of LaSalle Park and the near completion of the new construction at Preservation Square as mentioned in greater detail in the Capital Fund and Replacement Housing Factor Construction section of this report.

Operating Subsidy and Grant revenues decreased overall by \$6.6 million (8.8%) in FY 2022. A closer look at the individual program breakdown shows there was a substantial decrease in the number of units leased over the prior year in the Housing Choice Voucher Program (HCV or Section 8). This was offset slightly with an increase in the per unit Housing Assistance Program costs. The calculation of the FY 2022 renewal amount uses a "benchmark" of units leased and expenditures as reported in the Voucher Management System (VMS) using calendar year 2021. As a result, there was a significant reduction in grant revenues from the Housing Choice Voucher Program (HCV or Section 8) of nearly \$8.0 million (13.7%). This reduction comes as the effect of the CARES Act Supplemental HAP Administration reimbursement influx in the prior year combined with a major effort to reduce the backlog of late income reexamination, timely inspections, tenant moves and ownership changes remaining as a direct result of the aftereffects of the pandemic including significant staffing changes. It should also be noted that the Emergency Housing Voucher program was also established in FY 2021 with advanced funding. In FY 2022, the revenues are diminished by any prior receipts still on hand and culminating in a reduction in revenue of \$0.5 million (66.5%). In addition, the closing of the completed (ROSS) Jobs Plus grant awarded in mid-year 2015 and extended until June 2021 further diminished the total Operating Subsidy and Grant revenue by \$.03 million. However, these decreases were somewhat alleviated by a Public Housing Operating Subsidy marginal increase of nearly \$0.7 million.

Unrestricted and Restricted Investment Income increased slightly in FY 2022 by \$7,250 (82.6%) and \$7,522 (61.2%) respectively. In 2022, interest rates have started to level off or increase for the first time in many years in reaction to the rise of interest loan rates and overall inflation at the end of the fiscal year. In some cases, favorable investments have been difficult to find and the results have been that CD's that were matured, but no renewals were not found timely to reinvest. Restricted Investment income also increased a trace amount because of locked in low interest rates on Operating Reserve accounts as well as another year of record shortfalls reducing the size of available restricted reserves in which to invest and the length of term.

Other Revenues decreased by \$5.0 million to reflect the lawsuit settlement proceeds recorded in the prior year 2021 as mentioned in the Financial Highlights section.

Expenditures

In FY 2022, Administrative expenditures increased overall by approximately \$100,000 (1.1%) from the previous year. There were small increases as well of approximately \$90,000 in the administrative salaries and benefits seen in the cost of individual public housing developments. Inflation has also contributed to increased costs. The SLHA has rebounded in a few key departments including the Housing Choice Voucher staff with just over \$300,000 from experiencing employee shortages in FY 2021. Nevertheless, these rises in costs were nullified by the reduction of potential legal expenses that were recorded in the prior year of \$495,000.

Resident Services expenditures also decreased by nearly half or \$184,070 (48.9%) primarily a decrease in relocation costs associated with the temporary housing of those families displaced due to a small fire and sprinkler malfunction in one of the Public Housing high-rise developments.

Utility costs have risen in the current year by just over \$619,000 (15.7%) in 2022. The utility costs and usage for Electric, Water, and Gas of just over \$272,000 together with the continued increase in sewage rates and fees since 2016 of 11% to the Metropolitan Sewer District contributes to the overall increase in the aggregate. The increase in sewer costs satisfied a 2012 consent decree with the U.S. Environmental Protection Agency and the Missouri Coalition for the Environment to carry out \$4.7 billion in sewer system upgrades over the next 20 years. The Public Housing properties have continued to be plagued with occupancy issues as well as units taken offline because extensive rehabilitations are needed. In keeping with a long standing policy referred to as a "Leave On Policy", all utilities are left in place for any vacant unit in order to abstain from having frozen pipes or other maintenance issues. Therefore, SLHA becomes responsible for payment of utilities that were once provided by tenants.

Expenditures related to Ordinary Maintenance, rose by just over \$252,000 (5.0%). This can be seen as the effects of staffing shortages in the Maintenance and Janitorial areas continues to be attributable to the larger costs by using independent contractors and its added expense instead of using in house staff. In addition, the costs related to unblocking the backlog of Capital Fund projects held up for Environmental Reviews and other requirements also contributed to this expenditure uptick.

Expenditures associated with Protective Services diminished greatly by close to \$380,000 (-48.5%) largely due to a return to pre-COVID-19 levels of private security at the high-rise Public Housing developments and prior year calendar year 2020 expenditures attributed to FY 2021 for the St. Louis Metropolitan Police (SLMP) contract. The Fiscal Year 2022 SLMP contract has finally been signed and fully executed, but no invoices were received and expended until FY 2023.

General expenses increased dramatically by \$216,812 (3.0%) due to an increase in insurance premiums as a result of adjustment efforts made by our carrier underwriters based on our past claims. These increases were further infused by large increases again in FY 2022 of ACC Shortfall Reserve withdrawals as compared to last year. Non-routine Maintenance expenditures that include Casualty Losses only increased slightly by \$2,394 owing to a continuation of extensive repairs to Parkview and James House from 2021.

The expenditures in the Housing Choice Voucher Program decreased again by \$2.3 million or (-4.6%). The lease up of units also decreased in FY 2022 as compared to last year. As mentioned in the Revenue section of this report, a major effort was underway in 2022 to reduce the backlog of late income reexamination, timely inspections, tenant moves and ownership changes remaining as a direct result of the pandemic including significant staffing changes. In addition, the average monthly per unit cost (PUC) paid in CY 2022 was \$627 per unit, a decrease of 1% over the average amount paid in CY 2021 of \$636 per unit.

Interest Expenses decreased marginally by \$36,760 (-13.5%) as a result of a gradual reduction of CFFP loan balances for the rehabilitation of Kingsbury and Cochran Plaza and corresponding interest

expenses. Depreciation expenses have also decreased by \$538,000 (-8.3%) as the useful life of selected assets have reach their maturity and are no longer depreciable.

Net position for the year ended September 30, 2021 has been restated to adjust for the HUD reporting requirements of the Emergency Housing Voucher Program. According to Notice PIH 2021-25 (HA), service fee revenue received, in the amount of \$281,750, should be reported as unearned revenue, with revenue being recognized only when an eligible expense has been incurred. The St. Louis Housing Authority reported the amount as operating grant subsidy, resulting in an overstatement of net position. Therefore, a prior period adjustment of \$281,750 has been added to FY 2022.

The combined result is an overall total expenditures decrease of roughly of \$2.0 million (2.4%) and a total change in net assets of -\$13.5 million. The following table reflects the SLHA's condensed summary of the Statement of Revenues, Expenses, and Changes in Net Position as of September 30, 2022.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of fiscal year-end 2022, SLHA had \$84.6 million invested in Capital Assets as reflected in the following schedule (additions, deductions and depreciation), which represents a net decrease of \$2.9 million (-3.2%) from the end of FY 2021. As explained above, the decrease in Capital Assets is principally the result of an increase in accumulated depreciation.

TABLE 3 CHANGE IN CAPITAL ASSETS

	Business-Type
	Activities
Beginning Balance	\$88,468,366
Additions	\$2,122,737
Deletions/Demolition	\$0
Depreciation - Additions	\$0
Depreciation - Deletions	(\$5,949,298)
Ending Balance	\$84,641,805

SLHA's capital assets as of September 30, 2022 included land, buildings, improvements and construction in progress that totaled \$275.3 million (without accumulated depreciation), which is comprised of Public Housing units available for lease to low and moderate income residents, new construction and rehabilitation of existing stock.

TABLE 4 CAPITAL ASSETS AT YEAR-END (NET OF DEPRECIATION)

Business-Type Activities	FY 2022	FY 2021
Land and land rights	\$25,826,011	\$25,826,011
Construction in Progress	\$7,953,694	\$5,842,957
Structures and Equipment	\$241,509,045	\$241,497,045
Accumulated Depreciation	(\$190,646,945)	(\$184,697,647)
Total	\$84,641,805	\$88,468,366

This year's major projects (over \$1 million) are:

Capital Fund and Replacement Housing Factor Construction

- 1. LaSalle Park Village Renovation initiative (total cost \$12.3 million) encompasses the complete renovation of the interiors of this development, as well as investigation and major replacement of site sanitary and storm sewers and site amenities, such as sidewalks and parking area repair/replacement. Due to the major capital cost required to undertake and complete this renovation work along with the continued reductions in Capital funding, completion of this project was planned to be accomplished over a period of four to five years in three separate phases.
 - a. Phase I of the LaSalle Park Village Renovation (\$3.5 million) commenced bidding on September 22, 2015. Sealed bids were received and opened on December 17, 2015. Bid review and recommendation for award of contract was completed and a contract was issued. The notice to proceed was issued effective February 16, 2016. The project was declared substantially complete as of November 3, 2017.
 - b. Phase II of the LaSalle Park Village Renovation (\$4.3 million) encompasses the renovation of six buildings containing 52 units. Sealed bids were received and opened on March 7, 2017. Bid review and recommendation for an award was completed and a contract was issued. The contractor received their notice to proceed on December 18, 2017. The contract completion was scheduled for December 28, 2018. However, due building permit delays, the project did not begin until March 12, 2018. The contract was completed on August 2, 2019.
 - c. Phase III of the LaSalle Park Village Renovation (\$4.5 million originally and increased to \$6.0 million) consisted of the renovation of the remaining 48 units left at the LaSalle Park development. Construction started on February 3, 2020. Due to COVID-19 related delays, cost increases, unforeseen conditions, and revisions to the scope of work a 33% increase in project costs was realized. This project continued in FY 2021 and was declared "Substantially Complete" on July 20, 2021. However, a final retention amount will be paid in April 2023 to close the project completely.

2. Preservation Square is a three-phase project being developed by McCormack Baron (\$4.5 million). The project consists of the construction of 131 new family units of which 19 are public housing units in Phase I. Construction of Phase I is on-going and the completion date and occupation of all public housing units has been revised from June 2022 to October 2022.

All major improvements were performed over multiple fiscal years. Therefore, only a portion of the project cost (for Authority-owned developments) indicated contributes to the increase in Capital Assets.

Debt

In May 2007, SLHA issued four series of private activity bonds (Series A, B, C, and D) for a total of approximately \$17.4 million to be used in conjunction with the Capital Fund Financing Program to modernize and rehabilitate the Kingsbury and Cochran Plaza developments. As of September 30, 2022 Series A and D were paid in full. The remaining series B and C revenue bonds, comprise \$790,000 thousand in principle repaid in 2022 for a total of \$12.9 million repaid to date and a current unmatured balance of \$4.5 million as shown in Table 5 below.

TABLE 5
OUTSTANDING BONDS AND LOANS PAYABLE

		Unmatured	Debt	Retired	Unmatured
Debt	Interest	Balance	Issued	During	Balance
Issue	Rate	2021	During Year	Year	2022
05/03/2007	4.850%	2,085,000	1	310,000	1,775,000
05/03/2007	4.700%	3,250,000	-	480,000	2,770,000
Total		\$5,335,000	-	\$ 790,000	\$4,545,000

SLHA and the now dissolved SLHA Central Office Corp, a blended component unit, entered into a capital lease for solar panels. As part of the agreement, quarterly disbursements as well as monthly lease payments were required under the long-term agreement as set in an agreed upon repayment schedule. In FY 2013, new solar panel capital lease debt of \$322,640 was issued to the former SLHA Central Office Corp. of which \$4,047 was retired during FY 2022. At year-end, SLHA had repaid \$115,943 to date and a current unmatured balance of \$326,876 as shown in Table 6 below. The capital lease agreement for the solar panels at King Louis Square Phase III was extended again for another year to allow staff to legally amend or end the current agreement. Therefore, the lease payments were frozen to 2018 rates. Conversely, the lease payments ceased for the solar panels for the Central Office building as of November 2021 as they have reached the end of their useful life and maintenance is no longer provided by the Lessor. The Capital Lease Liability will be revised in fiscal year 2023 to reflect this transaction.

TABLE 6 OUTSTANDING CAPITAL LEASE LIABILITY

		Unmatured	Debt	Retired	Unmatured
Debt	Interest	Balance	Issued	During	Balance
Issue	Rate	2021	During Year	Year	2022
04/29/2011	1%	88,523	-	2,712	85,811
02/01/2012	0%	242,400	-	1,335	241,065
Total		\$330,923	-	\$4,047	\$326,876

It should be noted that SLHA's financial statements for FY 2022 include the December 31, 2021 activity for Kingsbury Associates, L.P. representing one of the remaining blended component units.

ECONOMIC FACTORS AFFECTING FUTURE YEARS

SLHA continues to be dependent on federal funds from the U.S. Department of Housing and Urban Development (HUD) for funding of all its programs; therefore, SLHA is affected more by the federal budget than by the local economy. Dependency on HUD funds also subjects SLHA to changes in its financial position, resulting from significant changes in legislation and can limit its potential growth into other areas to diversify spending opportunities to impact the community we serve that are not allowed through conventional federal funding.

As mentioned in the prior year, the American Rescue Plan provided direct economic assistance for American workers, families, small businesses, and industries. The American Rescue Plan continues many of the programs started by the CARES Act (2020) and Consolidated Appropriations Act (2021) by adding new phases, new allocations, and new guidance to address issues related to the COVID-19 pandemic. The American Rescue Plan also created a variety of new programs to address continuing pandemic-related crises, and fund recovery efforts as the United States began to emerge from the COVID-19 pandemic including the Emergency Housing Voucher program. The EHV program assists individuals or families that are homeless, at risk of being homeless due to housing instability and those who are or attempting to flee sexual assault, domestic violence, stalking, dating violence or human trafficking. Initially the program was only funded for 18 months, but has been extended to 30 months and will continue into FY 2023.

The continued underfunding of Public Housing Operating Subsidy and emergency expenditures due to chronic deferred maintenance is steadily reducing the cash reserves to fund many developments. It is anticipated that the financial score portion (FASS) of the overall PHAS score for FY 2022 and beyond may be affected. As a response to this continued underfunding, SLHA has begun exploring the Rental Assistance Demonstration (RAD) program conversion. A RAD conversion allows public housing agencies to leverage public and private debt and equity in order to reinvest in the public housing stock as identified in SLHA's Physical Needs Assessment. In RAD, all public housing units will move to Section 8 properties and residents benefit from a right of return, a prohibition against rescreening, and robust notification and relocation rights. Residents continue to pay 30% of their adjusted income towards the rent, maintain the same basic rights as they possess in the public housing program, and gain a new option to request tenant-based assistance if they wish to subsequently move from the property.

The 2020 – 2024 St. Louis Housing Authority Strategic Plan identified nine goals of which one included the planning and redevelopment of Clinton Peabody. One of the actions identified in this goal was to identify the viability of the project and financing options available through a Master Developer agreement to implement this strategy. SLHA issued an RFQ from developers in February of 2022 and received responses from seven (7) firms. Each firm made presentations to a selection committee comprised of public housing residents, community stakeholders, SLHA board members and staff. The selection committee scored Preservation of Affordable Housing (POAH) the highest and SLHA entered into a Designated Developer Agreement with POAH in November 2022.

POAH is leading the community engagement and planning piece throughout 2023 and has conducted multiple meetings with Clinton-Peabody residents. It is the current plan to replace all units on site with new construction utilizing both Rental Assistance Demonstration (RAD) and Section 18, and various mixed-finance tools. Overall, the redevelopment of Clinton-Peabody will include approximately 350 new housing units and cost over \$100 million in five phases.

Several more potential RAD or Section 18 projects have been identified by the HUD technical consultant including a mixed finance property known as King Louis I and II, is expected to be the second RAD application submitted in the next fiscal year.

FINANCIAL CONTACT

This financial report is designed to provide citizens, customers and investors with a general overview of SLHA's finances and to show SLHA's accountability for the funds it receives.

For questions about this report, please contact Brenda Jackson, Director of Finance, at the St. Louis Housing Authority, 3520 Page Boulevard, St. Louis, Missouri 63106, or by calling (314) 286-4232.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of significant accounting policies of the St. Louis Housing Authority:

1. Organization

St. Louis Housing Authority

The St. Louis Housing Authority was established for the purpose of engaging in the development, acquisition, and administrative activities of the low-income housing program and other programs with similar objectives. The U.S. Department of Housing and Urban Development (HUD) has direct responsibility for administering the low-income housing program under the U.S. Housing Act of 1937, as amended. HUD is authorized to enter into contracts with local housing authorities to make grants to assist the local housing authorities in financing the acquisition, construction, and/or leasing of housing units and to make annual contributions or "subsidies" to the local housing authorities for the purpose of maintaining the low-rent character of the local housing program.

2. Reporting Entity

The St. Louis Housing Authority includes the low-rent public housing program, capital fund program, rental assistance programs and various grants from HUD. The developments included under the low-rent public housing program are operated by various management companies. The management companies are required to obtain audits for each development they operate. For financial reporting purposes, the St. Louis Housing Authority (primary government) includes Kingsbury Associates, L.P. as a blended component unit. The blended component unit, although a legally separate entity is, in substance, part of the St. Louis Housing Authority's operations and so data from this unit are combined with data of the St. Louis Housing Authority.

Blended Component Unit

Kingsbury Associates, L.P.

Kingsbury Associates, L.P. is a limited partnership that was formed on May 1, 2007 as the ownership entity of Kingsbury Terrace Apartments, a 120 unit mixed finance public housing development.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

2. Reporting Entity – Continued

Kingsbury Associates, L.P. - Continued

The limited partnership has two members. The general partner is the SLHA Capital Fund Corporation. U.S. Bank Community Development Corporation, a former limited partner, sold its interest of 99.98% in the partnership to USB LIHTC Fund 2012-6, L.L.C. effective July 10, 2012. SLHA Capital Fund Corporation, the general partner and U.S. Bancorp Missouri Low-Income, a limited partner, each has .01% interest in the partnership. The general partner controls all the operations of the partnership.

The SLHA Capital Fund Corporation was formed to assist the St. Louis Housing Authority in the financing of capital improvements to public housing units and to facilitate, engage in, assist in and otherwise carry out, either individually or in cooperation with other entities, either public or private any part of the development and/or operations related to public housing in furtherance of the purposes of the Housing Authority. The policies are determined by a three-member board all of which are employees of the St. Louis Housing Authority or members of the St. Louis Housing Authority Board of Commissioners. The SLHA Capital Fund Corporation has no employees and all staff work is done by the SLHA staff or by consultants to the SLHA Capital Fund Corporation.

Kingsbury Associates, L.P., and the St. Louis Housing Authority have a financial and operational relationship which requires that Kingsbury Associates, L.P.'s financial statements be blended into the St. Louis Housing Authority financial statements because SLHA Capital Fund Corporation controls the operation of the limited partnership. Kingsbury Associates, L.P. has a fiscal year end of December 31.

3. Basis of Presentation

The St. Louis Housing Authority's financial statements are prepared in accordance with accounting principles generally accepted in the United States (GAAP). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

3. <u>Basis of Presentation - Continued</u>

The financial transactions of the St. Louis Housing Authority are reported in an individual fund. The fund is accounted for by providing a separate set of self-balancing accounts that comprise its assets, liabilities, net position, revenues and expenses. The St. Louis Housing Authority uses an enterprise fund which is a proprietary fund type. The focus of proprietary fund measurement is upon determination of operating income, changes in net position, financial position, and cash flows. The accounting principles generally accepted in the United States of America applicable are those similar to businesses in the private sector.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and delivering goods in connection with a proprietary fund's ongoing operations. The principal operating revenues of the St. Louis Housing Authority are charges for tenant rents. Operating expenses for the St. Louis Housing Authority include the cost of services, administrative expenses, depreciation on capital assets, and housing assistance payments.

All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

4. Basis of Accounting

The St. Louis Housing Authority's accounts are maintained as an enterprise fund type, which is accounted for on an economic resources measurement focus using the accrual basis of accounting. Revenue is recorded when revenue is earned, expenses are recorded at the time expenses are incurred, and liabilities are recorded at the time liabilities are incurred. When both restricted and unrestricted resources are available for use, then it is the St. Louis Housing Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

5. Estimates and Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

6. <u>Cash and Investments</u>

Cash, savings accounts, checking accounts, and certificates of deposit with maturity dates of three months or less are considered cash and cash equivalents for purposes of the statement of cash flows. The St. Louis Housing Authority maintains all deposits in bank accounts in the name of the St. Louis Housing Authority.

Investments are stated at fair value. The St. Louis Housing Authority is invested in the following HUD approved investments:

- Direct obligations of the federal government backed by the full faith and credit of the United States.
- Obligations of government agencies.
- Securities of government sponsored agencies.
- Demand and savings deposits.
- Time deposits and repurchase agreements.

7. Accounts Receivable

The St. Louis Housing Authority determines the allowance for doubtful accounts for tenant dwelling rents based on a review of the current status of the existing receivables. All other receivables are considered to be fully collectable.

8. Notes Receivable

The St. Louis Housing Authority has seven types of notes receivable: mixed finance, related party, capital project, development project, pass through, homeownership mortgage, and homeownership construction.

<u>Capital project, development project, and pass through notes receivable</u> - Capital project, development project, and pass through notes receivable are expected to be paid back according to their respective note agreement.

<u>Related party notes receivable</u> – Related party notes receivable are to the blended component unit and are eliminated along with the corresponding notes payable.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

8. Notes Receivable - Continued

<u>Mixed finance notes receivable</u> - The St. Louis Housing Authority has outstanding notes receivable with mixed finance low-income housing projects. These notes receivable were established in order to secure public housing units for low income families in St. Louis, Missouri. Actual repayment of these notes receivable is considered unlikely. Management has determined that these notes receivables represent a prepaid asset for the future guarantee of low-income public housing units. The notes receivable are amortized over the period that the limited partnerships guarantees the public housing units, typically 40 years. Mixed finance low-income housing projects still in construction are not amortized until they are placed in service.

Amortization of the mixed finance notes receivable is accounted for by an annual increase in the amortization of notes receivable contra asset accounts. The notes receivable prepaid asset is evaluated annually for impairment. Impairment criteria are related to the likelihood of the limited partnerships to continue to provide public housing units. Payments received from the limited partnerships are not expected. In the event a limited partnership makes a payment from available cash flow, the payment is recorded as current year income.

<u>Homeownership mortgage receivable</u> - Homeownership second mortgages are recorded at the original face value and amortized over the period of forgiveness as prescribed in the mortgage agreement. Loan forgiveness amortization expense is recorded in general expenses in the statement of activities. If the homeowner transfers ownership of the property prior to or during the forgiveness period to another qualifying low-income individual, the second mortgage transfers to the new homeowner and forgiveness continues. If the homeowner transfers ownership of the property prior to or during the forgiveness period to a party other than a qualifying low-income individual, the balance of the second mortgage becomes payable.

<u>Homeownership construction notes receivable</u> – Homeownership construction notes receivable are intended to be converted to homeowner mortgage receivable in the future as properties constructed are sold to qualifying low-income homeowners.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

9. <u>Capital Assets</u>

Assets which cost more than \$5,000 or with a useful life of more than one year are capitalized. Capital assets are recorded at cost, or if contributed property, at their fair value at the time of contribution. Repairs and maintenance are recorded as expenses; improvements and additions are capitalized. Depreciation is provided over the estimated useful lives, between 5 years and 31.5 years, for the respective assets using the straight-line method.

10. Net Position Classification

Net position is required to be classified into three components – net investment in capital assets, net of related debt; restricted and unrestricted. These classifications are defined as follows:

Net Investment in Capital Assets

This component of net position consists of capital assets, net of accumulated depreciation and costs to be recovered from future revenues, reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of invested in capital assets, net of related debt.

Restricted

This component of net position consists of constraints placed on net position use through external constraints imposed by creditors (such as through debt covenants), contributors, or law or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation.

Unrestricted

This component of net position consists of net position that do not meet the definition of "restricted" or "invested in capital assets, net of related debt." When both restricted and unrestricted resources are available for use, it is the St. Louis Housing Authority's policy to use restricted resources first, then unrestricted resources as they are needed.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

11. Inter-Fund Transactions

Inter-fund transactions are reflected as loans, services provided, reimbursements, or transfers. Loans, which are reported as receivables and payables, are subject to elimination upon consolidation and are referred to as either "due to/from other funds" or "advances to/from other funds."

Services provided, deemed to be at market or near market rates, are treated as revenues and expenditures/expenses. Reimbursements are when one fund incurs a cost, charges the appropriate benefiting fund, and reduces its related cost as a reimbursement. All other inter-fund transactions are treated as transfers.

12. <u>Income Taxes</u>

St. Louis Housing Authority is exempt from Federal and State income taxes as a governmental subdivision of the State of Missouri.

Under provisions of the Internal Revenue Code and applicable state laws, Kingsbury Associates, L.P. (the Partnership) is not directly subject to federal income taxes. The results of its operations are includable in the tax returns of its partners. Therefore, no provision for income tax expense has been included in the accompanying financial statements. The Partnership is located within the City of St. Louis (the City). The City does not recognize the pass-through status of the Partnership, and charges an income tax to the partnership.

Under the provisions of the Nonprofit Corporation Law of Missouri, the SLHA Capital Fund is not subject to State of Missouri taxes. The SLHA Capital Fund, however, has not been granted tax exempt status under provisions of the Internal Revenue Code.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

13. Compensated Absences

The St. Louis Housing Authority's policy allows employees to accumulate unused sick leave and vacation leave up to 440 hours for line staff and 480 hours for Supervisors, Managers, Directors, and the General Counsel. Upon termination, accumulated vacation leave will be paid out up to the maximum carryover of hours and accumulated sick leave will be paid out based on one hour of pay for every five hours of sick leave accrued, up to a maximum of eighty hours.

14. Comparative Financial Statements

The financial statements include certain prior-year summarized comparative information. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended September 30, 2021, from which the summarized information was derived.

15. Recent Accounting Pronouncements:

- In June 2017, GASB issued Statement No. 87 *Leases*. The primary objective of this statement is to enhance the relevance and consistency of information about the Housing Authority's leasing activities. This statement establishes a single model for lease accounting based on the principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. The St. Louis Housing Authority's financial statements as of September 30, 2021, have been adjusted as a result of the implementation of this standard.
- GASB Statement No. 89, Accounting for Interest Cost Incurred before the End of a Construction Period (issued June 2018) requires that interest costs incurred before the end of a construction period be recognized as an expense in the period in which the cost is incurred and no longer included in the historical cost of capital assets. The new standard is effective for periods beginning after December 15, 2020. Adoption of GASB 89 had no effect on the Housing Authority's financial statements.

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED

16. New Accounting Pronouncements Not Yet Adopted

• GASB Statement No. 96, Subscription-Based Information Technology Arrangements (issued May 2020) defines such arrangements as contracts that convey control of the right to use another party's information technology software, alone or in combination with tangible capital assets, as specified in the contract for a period of time in an exchange or exchange-like transaction. The standard clarifies measurement and recognition of capitalizable costs, intangible assets, and subscription liabilities for such arrangements and requires additional disclosures. The new standard is effective for periods beginning after June 15, 2022. Application of this statement is effective for the Housing Authority's year ending September 30, 2023.

NOTE B. CASH AND INVESTMENTS

1. <u>Custodial Credit Risk - Deposits</u>

Custodial credit risk is the risk that in the event of a bank failure, the St. Louis Housing Authority's deposits may not be returned to it. The St. Louis Housing Authority does not have a deposit policy for custodial credit risk. As of September 30, 2022, the St. Louis Housing Authority's bank deposit and certificate of deposit balances were \$28,379,145. As of September 30, 2022, \$1,674,153 of the St. Louis Housing Authority's deposits were uninsured and uncollateralized.

The St. Louis Housing Authority's major financial institution checks the balances against collateral every morning and collateral balances are adjusted as necessary. If a large transaction occurs intraday, the system does not adjust until the following morning.

As of September 30, 2022, the St. Louis Housing Authority had deposits with a carrying value of \$970,583 that are held in the name of Missouri Housing Development Commission (MHDC) on behalf of the St. Louis Housing Authority.

As of December 31, 2021, the component unit bank deposit and certificate of deposit balance was \$987,029. As of December 31, 2021, \$217,586 of component unit's deposits were uninsured and uncollateralized.

NOTE B. CASH AND INVESTMENTS – CONTINUED

2. <u>Custodial Credit Risk – Investments</u>

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the St. Louis Housing Authority will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. The St. Louis Housing Authority does not have an investment policy for custodial credit risk.

As of September 30, 2022, the St. Louis Housing Authority's investments were \$4,103,060. These investments were insured and registered, or securities were held by the St. Louis Housing Authority or its agent in the St. Louis Housing Authority's name.

3. <u>Credit Risk Investments, Concentration of Credit Risk and Interest Rate Risk – Investments</u>

The St. Louis Housing Authority's investments consisted of U.S. Government Agency obligations. These investments were given a credit rating of AA+ to AAAm by Standard and Poor. Investments also included certificates of deposit with original maturities of twelve months or less.

The carrying value, which approximates fair value, for deposits and investments at September 30, 2022 was as follows:

Cash on hand	\$ 3,179
Cash in bank	23,651,274
Money market accounts	1,047,132
MHDC investments in bank	970,583
Certificates of deposit	3,706,323
U.S. government agency and treasury obligations	4,103,060
	\$ 33,481,551
Cash and cash equivalents - unrestricted	\$ 20,938,671
Cash and cash equivalents - restricted	7,865,975
Investments - unrestricted	2,103,952
Investments - restricted	2,572,953
	\$ 33,481,551

NOTE B. CASH AND INVESTMENTS - CONTINUED

3. <u>Credit Risk Investments, Concentration of Credit Risk and Interest Rate Risk – Investments – Continued</u>

The following is a detail of amounts included in cash and cash equivalents, which are restricted for specific purposes:

Escrow bond funds	\$ 68,317

Allowance	(178,161)
	\$ 3,480,446

NOTE D. NOTES RECEIVABLE

Capital Project

The St. Louis Housing Authority has issued notes receivable up to \$5,608,174 to limited partnerships to fund the construction of energy efficiency upgrades, including the installation of solar panels. The notes receivable mature and are due on September 21, 2040. Notes receivable at September 30, 2022, included \$5,608,174 related to the solar panel project.

Related Party Notes Receivable

On May 1, 2007, Kingsbury Associates, L.P agreed to two notes due to the St. Louis Housing Authority for \$1,470,000 and \$9,795,000, respectively. The notes also call for any interest earned on bond proceeds used to fund the receivable to be forwarded to Kingsbury Associates, L.P. as part of the note. Interest earned by the St. Louis Housing Authority and added to the outstanding note receivable balance totaled \$1,909,072. Both notes mature on April 30, 2069 and carry interest rates of 4.900% and 8.500%, respectively.

During the year ended September 30, 2010, the St. Louis Housing Authority received payments of \$4,980,000. As of September 30, 2022, the St. Louis Housing Authority's receivable from Kingsbury Associates, L.P. totaled \$8,194,072. These notes receivable and corresponding notes payable were eliminated in the accompanying financial statements.

The St. Louis Housing Authority has issued notes receivable to limited partnerships for mixed financing low-income housing projects. Principal and interest is repayable prior to maturity only from net available cash flow, net proceeds, or condemnation/insurance proceeds from the housing project.

NOTE D. NOTES RECEIVABLE – CONTINUED

Mixed Finance Low-Income Housing Projects

Loan amortization on mixed financing low-income housing projects notes receivable for the year ended September 30, 2022 was \$2,502,238.

NOTE D. NOTES RECEIVABLE – CONTINUED

Homeownership Mortgage Receivable

The St. Louis Housing Authority has issued second mortgages to qualifying low-income individuals in order to promote and enable homeownership for these individuals. The mortgages are non-interest bearing and are forgivable in accordance with the mortgage agreement.

The forgiveness on the homeownership notes receivable is as follows:

Dartse-Webbe – Annual forgiveness begins on the 5th anniversary date at a rate of 5% for the sixth –ninth year of the note, 10% for the eleventh – fourteenth year of the note, and 15% for the fifteenth – sixteenth year of the note until fully forgiven.

Blumeyer – Annual forgiveness of 10% of second mortgage balance until fully forgiven.

Cochran Phase III – Annual forgiveness of 20% of second mortgage balance begins on the 5th anniversary date until fully forgiven.

Cochran Phase IV - Annual forgiveness of 10% of second mortgage balance until fully forgiven.

Loan forgiveness amortization on homeownership notes receivable for the year ended September 30, 2022 was \$162,566.

Details of the outstanding notes receivable of the St. Louis Housing Authority at September 30, 2022 are as follows:

Project	F	ace Value	No	Net Value		
Darste-Webbe	\$	4,284,024	\$ (4,284,024)	\$	-

TOTAL	\$	6,282,349	\$ (6,248,385)	\$	33,964	

NOTE D. NOTES RECEIVABLE – CONTINUED

Homeownership Construction Notes Receivable

For the Cochran Phase IV project, the St. Louis Housing Authority issued construction loans of \$1,000,000 to a developer to construct the units under the homeownership program. As these units are completed and sold, the developer repays the St. Louis Housing Authority and the proceeds from the repayment of the outstanding construction loan are used as a revolving loan fund to fund the homeownership second mortgages. The outstanding construction loan receivable from the developer at September 30, 2022 was \$226,235.

Outstanding notes receivable at September 30, 2022 is as follows:

		A	Accumulated			
Note	Face Value	A	Amortization]	Eliminated	Total

The St. Louis Housing Authority has funded the development of several projects, through the U.S. Department of Housing and Urban Development's HOPE VI and Capital Fund Program. The costs associated with the projects' development are transferred to structures and equipment upon completion of the developments.

NOTE F. LEASES

On October 1, 2020, the St. Louis Housing Authority had 57 months remaining on a lease as lessee for the use of office copiers. An initial lease liability was recorded in the amount of \$127,459. As of September 30, 2022, the value of the lease liability is \$73,991. The Authority is required to make monthly fixed payments of \$2,250. The lease utilizes the risk-free interest rate of 0.27%. The value of the right to use asset as of September 30, 2022 of \$127,459 with accumulated amortization of \$53,667 and is included with Equipment on the Lease Class activities table found below.

NOTE F. LEASES – CONTINUED

On October 5, 2021, the St. Louis Housing Authority entered into a 46-month lease as lessee for the use of office copiers. An initial lease liability was recorded in the amount of \$3,630. As of September 30, 2022, the value of the lease liability is \$2,690. The Authority is required to make monthly fixed payments of \$79.71. The lease utilizes the risk-free interest rate of 0.54%. The value of the right to use asset as of September 30, 2022 of \$3,630 with accumulated amortization of \$947 and is included with Equipment on the Lease Class activities table found below.

On January 21, 2022, the St. Louis Housing Authority entered into a 63-month lease as lessee for the use of a postage meter. An initial lease liability was recorded in the amount of \$23,848. As of September 30, 2022, the value of the lease liability is \$20,503. The Authority is required to make monthly fixed payments of \$399.88. The lease utilizes the risk-free interest rate of 1.54%. The value of the right to use asset as of September 30, 2022 of \$23,848 with accumulated amortization of \$3,407 and is included with Equipment on the Lease Class activities table found below.

On October 6, 2021, the St. Louis Housing Authority entered into two 24-month leases with initial direct costs of \$850 each as lessee for the use of two maintenance vehicles. An initial lease liability was recorded in the amount of \$20,230 for each vehicle. As of September 30, 2022, the value of each lease liability is \$10,130. The Authority is required to make monthly fixed payments of \$845.35 for each vehicle. The leases utilize the risk-free interest rate of 0.3%. The values of the right to use assets as of September 30, 2022 of \$20,830 each with accumulated amortization of \$10,415 are included with Vehicles on the Lease Class activities table found below.

Lease Assets by major classes of underlying assets as of September 30, 2022:

2026	10,630
2028-2032	53,150
Thereafter	220,576
	\$ 326,876

NOTE I. COMPENSATED ABSENCES

A summary of the changes in compensated absences for the year ended September 30, 2022, is as follows:

	eginning Balance	A	dditions	R	eductions	Ending Balance	 ount Due thin One Year
Compensated absences	\$ 509,656	\$	47,652	\$	(106,617)	\$ 450,691	\$ 61,709

NOTE J. CONTINGENCIES

The St. Louis Housing Authority participates in a number of federal programs, which are subject to financial and compliance audits by the granting agencies. The amount of expenses, if any, which may be disallowed by the granting agencies, is not determinable at this time; however, management does not believe that such amount, if any, would be significant.

The St. Louis Housing Authority is a defendant in a lawsuit arising in the normal course of business. To the extent the outcome of such litigation has been determined to result in probable loss to the Authority, such loss has been accrued in the accompanying financial statements. The Authority estimates such loss to total \$400,000.

NOTE K. COMMITMENTS

The St. Louis Housing Authority has approximately \$43,609,739 obligated to expend for Capital Grant Programs. These funds have been obligated as required by the grant program. As of September 30, 2022, \$39,071,652 of these obligations have been expended and \$4,538,087 of the obligations are unexpended.

NOTE L. ECONOMIC DEPENDENCY

The St. Louis Housing Authority relied on the U.S. Department of Housing and Urban Development for approximately 93.23% of its revenue.

NOTE M. PENSION PLAN

The St. Louis Housing Authority Retirement Plan is a 100% employer-funded defined contribution pension plan intended to meet the requirements under Internal Revenue Code Section 401(a). The Plan is a "governmental plan" within the meaning of Section 414(d) of the Code. Employees do not contribute to it. The Authority makes contributions on behalf of each eligible employee in an amount equal to 12.70675 percent of compensation. Employees become fully vested in the employer contributions and related earnings after five years of service.

The St. Louis Housing Authority has the authority to adopt amendments regarding the provisions and administration of the Plan. For the year ended September 30, 2022, the St. Louis Housing Authority's 12.70675% portion has been charged to the employee fringe benefit account and was estimated by management to be \$413,112.

NOTE N. RISK MANAGEMENT

The St. Louis Housing Authority is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The St. Louis Housing Authority carries commercial insurance for its risks. The Authority contracts with reputable carriers and utilizes deductibles up to \$50,000. For worker's compensation the St. Louis Housing Authority pays for all claims up to \$500,000. The excess carrier pays for claims that exceed \$500,000, up to \$2,000,000 per claim, for a total per claim coverage of \$2,500,000. The St. Louis Housing Authority maintains an investment of \$350,000 in favor of the Department of Labor and Industrial Relations for the State of Missouri. Such instrument would be used by the State to pay workman's compensation claims should the St. Louis Housing Authority become insolvent.

NOTE O. CHANGE OF ACCOUNTING PRINCILE

The adoption of GASB issued Statement No. 87 Leases requires recognition of the standard in the earliest period presented. As a result, the summarized comparative financial statements for the year ended September 30, 2021 has been adjusted to recognize leased assets of \$100,626, liabilities of \$100,761, and an increase of lease expense of \$135. This resulted in decrease of unrestricted net position of \$135 as of September 31, 2021.

NOTE P. PRIOR PERIOD ADJUSTMENT

Net position for the year ended September 30, 2021 has been restated to adjust for the HUD reporting requirements of the Emergency Housing Voucher Program. According to Notice PIH 2021-25 (HA), service fee revenue received, in the amount of \$281,750, should be reported as unearned revenue, with revenue being recognized only when an eligible expense has been incurred. The Authority reported the amount as operating grant subsidy, resulting in an overstatement of net position.

NOTE O. COVID-19 PANDEMIC

The COVID-19 pandemic, whose effects first became known in January 2020, has had a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The accompanying consolidated financial statements include no adjustments relating to the effects of this pandemic.

The St. Louis Housing Authority (SLHA) was awarded \$1,648,157 in Operating Funding (PIH Notice 20-07) and two disbursements of Housing Choice Voucher administrative funds totaling \$1,862,115 (PIH Notice 20-08 and 20-18) through the Coronavirus Aid, Relief, and Economic Security (CARES) Act to Public Housing Authorities (PHAs) enacted March 27, 2020. The funding was allocated to PHAs via the Operating Fund formula to prevent, prepare for, and respond to coronavirus, including for public housing agencies to maintain normal operations and take other necessary actions during the period the program is impacted by coronavirus. In addition, the U.S. Department of Housing and Urban Development (HUD) issued broad waiver authority and flexibilities to allow PHA's to continue the mission of providing decent, safe, and affordable housing including suspending many regulations and scoring. The original PIH Notices were revised to extend the original expenditure deadline to December 31, 2021. During the year ended September 30, 2022 the Authority received \$342,709 for the Public and Indian Housing program and \$308,578 of Deferred Revenue was recognized for the Section 8 Housing Choice Vouchers program.

NOTE R. ELIMINATING ENTRIES

Certain transactions between the St. Louis Housing Authority and its blended component units have been eliminated in the financial statements. Kingsbury Associates, L.P. and the SLHA Capital Fund Corporation have a December 31 year end while the St. Louis Housing Authority has a September 30 year end. Due to the differences in the year end between the St. Louis Housing Authority and its component units a net amount of \$108,107 has been shown on the statement of net position as inter-fund activity.

This amount represents the inter-company transactions that could not be eliminated due to the differences in the year end between the St. Louis Housing Authority and its blended component unit.

NOTE R. ELIMINATING ENTRIES - CONTINUED

Below is the reconciliation from the FDS to the audited financial statements.

St. Louis Housing Authority NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS For the year ended September 30, 2022

NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal award activity of the St. Louis Housing Authority (the Authority) under programs of the federal government for the year ended September 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Authority, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Authority.

2. <u>Basis of Accounting</u>

The schedule of expenditures of federal awards is presented on the full accrual basis of accounting.

3. <u>Contingencies</u>

During the normal course of business, the St. Louis Housing Authority receives funds from the United States Government for program services. Substantially all of these funds are subject to future audit by the U. S. Department of Housing and Urban Development, however, it is management's opinion that resulting adjustments, if any, would not have a material effect upon the accompanying financial statements.

3. De Minimis Indirect Cost Rate

The Commission has elected not to charge the 10% de minimis indirect cost rate to its federal award programs.

St. Louis Housing Authority STATEMENT AND CERTIFICATION

FINANCIAL REPORT SF-425 JOBS PLUS GRANT, PROJECT NO. MO001FJP000814

For the year ended September 30, 2022

1. The actual modernization costs of MO001FJP000814 are as follows:

Original funds approved	\$ 3,000,000
Funds disbursed	\$ 2,994,999
Funds expended (actual program costs)	\$ 2,994,999
Amount to be recaptured	\$ -
Excess of funds disbursed	\$ -

- 2. The distribution of costs as shown on the Financial Report SF-425 dated September 14, 2022, submitted to HUD for approval is in agreement with the records of the St. Louis Housing Authority.
- 3. The Agency has certified that all costs have been paid and all related liabilities have been made through payment.

FINANCIAL DATA SCHEDULE

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners St. Louis Housing Authority St. Louis, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of St. Louis Housing Authority as of and for the year ended September 30, 2022, and its blended component units as of December 31, 2021, and the related notes to the financial statements, which comprise the St. Louis Housing Authority's basic financial statements and have issued our report thereon dated June 26, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the St. Louis Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of St. Louis Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of St. Louis Housing Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that have not been identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether of St. Louis Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the St. Louis Housing Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the St. Louis Housing Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Board of Commissioners St. Louis Housing Authority St. Louis, Missouri

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited St. Louis Housing Authority's compliance with the types of compliance requirements described in the *U. S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on each of the St. Louis Housing Authority's major federal programs for the year ended September 30, 2022. The St. Louis Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the St. Louis Housing Authority complied, in all material respects, with the requirements referred to above that could have a direct and material effect on each major federal program for the year ended September 30, 2022.

Basis for Opinion on Each major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the St. Louis Housing Authority and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of the St. Louis Housing Authority's compliance with the compliance requirements referred to above.

Management's Responsibility

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to the St. Louis Housing Authority's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the St. Louis Housing Authority's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the St. Louis Housing Authority's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the St. Louis Housing Authority's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the St. Louis Housing Authority's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the St. Louis Housing Authority's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified. Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
