MEMORANDUM

TO: Latasha Barnes, Executive Director

FROM: Paul Werner, Director of Policy and Procurement

DATE: September 10, 2025

SUBJECT: Asset Management Board Report

In addition to the attached reports, please find an update on activities and special projects that the Asset Management Department has undertaken to date.

<u>Management Meetings</u>: To monitor the performance of SLHA's public housing portfolio, Asset Management issues monthly property performance letters to management for SLHA's mixed-finance developments. Asset Management tracks key performance indicators (occupancy, unit turnaround and late recertifications), which are discussed in the regular monthly meetings held with each SLHA management agent.

<u>Police Contract</u>: Through SLHA's contract with the St. Louis Metropolitan Police Department (SLMPD), SLMPD's Housing Unit provides supplemental police services to several SLHA developments. Asset Management continues to hold regular meetings with the Housing Unit and representatives of management to share information and coordinate activities.

<u>Trespass and Ban</u>: Asset Management continues to coordinate with management and the SLMPD Housing Unit to implement SLHA's Trespass and Ban Policy. As of August, fifty (50) individuals were on SLHA's Trespass and Ban List.

<u>Offline Units</u>: Asset Management continues to identify offline units throughout the SLHA portfolio and submit requests to HUD. In accordance with HUD regulations, offline units can include units identified for major repair/renovation, casualty loss and units approved for non-housing uses (such as an office). Below please find an update on the current HUD-approved offline units.

| Number of HUD Approved Units (Start of the month) | 480 |
|---|-----|
| New Requests Submitted to HUD (# of units) | 21 |
| Extension Requests Submitted to HUD (# of units) | 0 |

<u>Reporting Systems</u>: Asset Management continues to work with MRI/Tenmast to address late recertifications and resolve errors in data submitted to HUD's Public and Indian Housing Information Center (PIC) by management. In an effort to exceed HUD's required 95% Reporting Rate, Asset Management monitors sites for trends and prioritizes sites with late recertifications.

Please find an update on the current and previous month's Reporting Rate below.

Current HUD Reporting Rate:

| August | 91.96% |
|----------|--------|
| HUD GOAL | 95% |

Prior Months:

| July | June | May |
|--------|--------|--------|
| 92.75% | 92.94% | 93.49% |

<u>Public Housing Waiting Lists</u>: In August, Asset Management coordinated the opening of several of SLHA's site-based waiting lists to accept pre-applications for Euclid Plaza, West Pine, King Louis III, Kingsbury Terrace, and Preservation Square Phase I. SLHA publicized the opening by posting notices on SLHA's website and social media; notifying SLHA property management offices and community partners; and advertising in the St. Louis American and St. Louis Post-Dispatch.

During the seven days the waiting lists were open, SLHA received 4,379 online applications and approximately 149 paper applications. Approximately 713 visitors came to the SLHA Main Office. As of September 3, 2025, there were approximately 28,377 unduplicated people on SLHA's 25 site-based waiting lists. Since applicants can apply for multiple sites, SLHA has a total of approximately 88,660 duplicated applicants on all its site-based waiting lists.

MEMORANDUM

TO: Latasha Barnes, Executive Director

FROM: Lucius Bennett, Director of Property Management

DATE: September 10, 2025

SUBJECT: Property Management Board Report

Property Management Department:

Occupancy & Leasing

Overall occupancy remained strong, with most developments maintaining rates above HUD's 93% threshold. Several sites, including James House, Parkview, Northside Scattered Sites, Badenhaus/Badenfest and Lasalle Park and King Louis III continued to exceed 95% occupancy. Leasing efforts focused on meeting move-in goals, while managing turnover to keep units in rentready condition.

Unit Turns & Maintenance

Turnaround times for vacant units were a priority, with staff working to reduce days vacant. Vacant unit trash-outs at Parkview and other sites progressed, with alternative staffing methods being used to offset contractor limitations and budget constraints. Routine and emergency work orders were completed across all sites, though limited staff and budget cuts continued to impact response times.

Operations

The department continued rolling out targeted training for property managers by hosting a waiting list refresh course. Managers were instructed on best practices for maintaining and managing each site-based waiting list.

Occupancy and HUD Compliance

- Property Management completed 27 move-ins in August 2025. For move- outs, 25.00% of residents were evicted and 43.75% moved with notice. Two public housing families transferred from the public housing program to another public housing development or to the HCV program.
- Trend Consistency: The occupancy rate at the end of August 2025 was 92.54%, showing percentage point increase.

| July 2025 | July 2025 | August 2025 |
|-----------|-----------|-------------|
| 91.91% | 91.21% | 92.54% |

Performance Monitoring

To gauge the impact of the training programs and ensure HUD compliance, the department has implemented monthly performance monitoring focused on:

- Occupancy Rates: Tracking leasing trends and vacancy reductions.
- Rent Collections: Assessing improvements in timely payments and arrears management.
- Compliance Standards: Ensuring proper documentation and regulatory adherence.

Waiting List (housing needs of families)

<u>Senior Public Housing Wait List</u>. Parkview Apartments waiting list is continuously open as a result of its recent senior designation status. In addition to receiving applications from SLHA's online portal, applications are accepted in person at the leasing office to assist seniors with the challenges of using technology.

Work Order Trends

Property Management continues to monitor work order activity in Yardi, conduct regular inspections of all public housing developments and work with developments to resolve issues as they are identified. Below please find an abbreviated analysis on existing work orders.

| Development(s): | Issue/Trend Identified: | Action: |

MEMORANDUM

To: Latasha Barnes, Executive Director

From: Carla Matthews, Director of Operations for HCV

Date: September 10, 2025

Subject: Housing Choice Voucher Board Report

The Housing Choice Voucher (HCV) program is the Saint Louis Housing Authority's primary program for providing housing assistance to thousands of Saint Louis families.

HCV Programs

The Department currently operates several general and special purpose voucher programs to meet a variety of housing needs:

1) Housing Choice Voucher (Section 8)

The general Section 8 program assists very low-income, elderly and disabled families in affording decent and safe housing in the private market. There are 5,824 active participants in the Section 8 program and approximately 5,179 families are on the waitlist. During this reporting period, no new HCV vouchers were issued and 272 families are currently searching for housing.

The HCV program is actively working to maintain the current Section 8 utilization rate. HUD defines a program's utilization rate as the higher of the number of unit months leased divided by unit months available (leased/available), or total Housing Assistance Payment (HAP) spent divided by budget authority (HAP/Budget). HCV's current utilization rate based on budget authority during this reporting period is 100%. The current utilization rate remained stable within the most recent three-month trends.

| June 2025 | July 2025 | August 2025 |
|-----------|-----------|-------------|
| 100% | 100% | 100% |

Recent trends indicate that families are experiencing difficulties locating suitable housing. To prevent households from being penalized during the process, HCV works closely with program participants to extend the voucher terms per 24 CFR 982.303(b)(1). HCV has also enacted regularly scheduled landlord briefings to expand the pool of interested landlord participants and improve leasing ability. Landlord briefings are typically held on the first Tuesday of each month.

A briefing was held on August 5, 2025. The HCV team is exploring new and innovative ways to house clients, work with community partners and boost efforts to increase landlord participation. HCV will continue to track and monitor the effectiveness of current utilization strategies and implement new strategies as needed. As additional trends and barriers emerge, HCV will adopt additional utilization strategies authorized per PIH Notice 2022-18.

2) Project-Based Vouchers

Project-based vouchers (PBVs) are a component of SLHA's Housing Choice Voucher (HCV) program. Per HUD guidance, SLHA can use up to 20 percent of its authorized voucher units to dedicate affordable housing units within a residential development. There are 246 active participants. No referrals were received during the month of August.

3) Emergency Housing Vouchers

The Emergency Housing Voucher (EHV) program is a special voucher program that promotes rapid rehousing for individuals who are homeless, at risk of homelessness, fleeing or attempting to flee, domestic violence, dating violence, sexual assault, stalking, or human trafficking, or were recently homeless or have a high risk of housing instability. Through this initiative, HCV partners with the Continuums of Care (CoCs) and Victim Service Providers (VSPs) to develop strategies that effectively address the needs of vulnerable populations in the community. Since the program was implemented in July 2021, 180 families have been housed. Two (2) family are currently searching for units.

4) HUD-VASH Vouchers

The HUD-Veterans Affairs Supportive Housing (HUD-VASH) program is a special rental assistance program for homeless Veterans with case management and clinical services provided by the Department of Veterans Affairs. There are 230 active participants in the HUD-VASH program. During this reporting period, eight referrals were received and 17 additional families are actively searching for housing.

5) Bridge to Homeownership Vouchers

The Bridge to Homeownership program allows families that are assisted under the HCV program to use their voucher/subsidy to buy a home and receive monthly mortgage payment assistance. The Bridge to Homeownership program has 17 active participants.

6) Mainstream Vouchers

SLHA also administers a Mainstream Voucher program that targets vouchers directly to nonelderly persons with disabilities. The Mainstream Voucher program currently has a total of 87 Mainstream vouchers, with 53 active families under lease and six families are searching for housing. To promote maximum program utilization, HCV has taken the following steps: partnered with the Department of Human Services (DHS) to utilize available vouchers via the Emergency Winter Housing Pilot Program.

7) Tenant Protection Vouchers

Tenant protection vouchers benefit the owner by helping preserve occupancy stability during the transition from one financing mechanism to another. The resulting rent security helps create and preserve a short-term reliable income stream. Tenant Protection Vouchers (TPVs) are meant to ensure there is no displacement of low-income residents because of various actions, resulting in a loss of subsidy assistance. There are 174 active participants in the TPV program. Two families are currently searching for units.

8) Foster Youth to Independence Vouchers

The Foster Youth to Independence (FYI) program extends assistance available to youth between the ages of 18-24 years of age (who have not reached their 25th birthday) who left foster care or will leave foster care within 90 days following a transition plan described in Section 475(5)(H) of the Social Security Act and are homeless or are at risk of becoming homeless. As required by law, an FYI voucher issued to such youth may only be used to provide housing assistance and supportive services for a maximum of 36 months.

Program Maintenance

Recertification

Four-hundred eight (408) annual recertifications were completed during this reporting period. Recertification packets were mailed to program participants before the recertification date and participants were asked to return them via mail, email, fax or in person. Participants who fail to respond to recertification requests will receive a second and final request for information before being terminated from the program. Currently, 175 annual recertifications are over 14 months past due. Staff is working to resolve outstanding recertifications by conducting weekly reviews of recertifications that are due and offering overtime to staff for completion of recertifications.

Housing Quality Standards Inspections

During the reporting period, HCV conducted 531 inspections: 204 biennial inspections, 176 reinspection, 115 initial inspections, nine quality control, two 24-hour emergency and 25 special inspections. This represents a constant tread in the number of inspections over the past three months.

| | June 2025 | July 2025 | August 2025 |
|----------------------|-----------|-----------|-------------|
| Biennial Inspections | 531 | 148 | 204 |
| Reinspection | 199 | 208 | 176 |

A detailed breakdown of inspection activity and a deficiency report is attached hereto for your review and consideration.

<u>SEMAP Indicators</u>

The Section Eight Management Assessment Program (SEMAP) measures the performance of the public housing agencies (PHAs) that administer the Housing Choice Voucher program in 14 key areas. The 14 key indicators of PHA performance are:

- Proper selection of applicants from the housing choice voucher waiting list
- > Sound determination of reasonable rent for each unit leased
- > Establishment of payment standards within the required range of the HUD fair market rent
- Accurate verification of family income
- > Timely annual reexaminations of family income

- > Correct calculation of the tenant share of the rent and the housing assistance payment
- ➤ Maintenance of a current schedule of allowances for tenant utility costs
- ➤ Ensure units comply with the housing quality standards before families enter into leases and PHAs enter into housing assistance contracts
- > Timely annual housing quality inspections
- > Performing of quality control inspections to ensure housing quality
- > Ensure that landlords and tenants promptly correct housing quality deficiencies
- > Ensure that all available housing choice vouchers are used
- > Expand housing choice outside areas of poverty or minority concentration
- ➤ Enroll families in the family self-sufficiency (FSS) program as required and help FSS families achieve increases in employment income.

Rent Café

Enrollment in Rent Café has been critical to streamlining HCV processes and maintaining lines of communications with program participants and landlords. HCV has worked hard to encourage participants to sign up during the recertification process and landlord outreach events. As a result, enrollment has increased steadily in recent months.

| | June 2025 | July 2025 | August 2025 |
|------------------|-----------|-----------|-------------|
| HCV Participants | 3355 | 4747 | 4814 |
| Landlords | 1962 | 1961 | 1972 |
| Total | 5517 | 6708 | 6786 |

Family Self Sufficiency

The Family Self Sufficiency (FSS) program helps families in HUD-assisted rental housing to improve financial security and build financial capability and assets. The FSS program provides participants with case management/financial coaching and an escrow incentive that allows them to apply income increases towards saving goals. Currently, 72 participants are enrolled and approximately 28 participants have escrow accounts.

New Business/Upcoming Events

HCV staff has been focused on the Section Eight Management Assessment Program (SEMAP). The HUD measured indicators are currently being reviewed. The Housing Choice Voucher program rating for fiscal year 2024 was standard; however, for fiscal year 2025, the projection is to achieve high performer status.

MEMORANDUM

To: Latasha K. Barnes, Executive Director

From: Jason W. Hensley, Director of Real Estate Development

Date: September 10, 2025

Subject: Development and Modernization Department Board Report

The Development and Modernization Department's highlights for the month of August are described below:

General

<u>RD 22-03 – Clinton-Peabody Apartments Redevelopment</u> – SLHA and POAH conducted the community engagement meeting with the Clinton-Peabody residents on August 21, 2025.

The meeting began with updates and announcements for the residents on the upcoming demolition of buildings. Residents heard that HUD had given its approval for the demolition of the buildings and that the work would begin in early-September. The first phase of demolition will include six (6) buildings roughly bounded by Chouteau to the north, St. Ange to the east, Lasalle to the south, and Dillon to the west. Residents were also told about job opportunities with Spirtas Worldwide, the demolition firm contracted for the work and how to apply for work.

As part of the meeting updates, SLHA gave an update on pest prevention work that has been done. In preparation for the demolition of structures, SLHA has been implementing a preventative pest control program to minimize the opportunity for pests to be onsite in the vacant buildings. Both a professional pest control company, Rottler, and SLHA staff efforts have been employed to reduce the number of pests in vacant buildings. Three weeks before demolition was to begin, SLHA provided the demo contractor with pest control products to place in structures in advance of their demolition work.

There was discussion about the Clinton-Peabody site related to landscaping, trash, lighting and public safety. The Property Management team shared updates on what they were working on to address concerns on site. POAH, SLHA and Unicorn Group will also be hosting a community clean-up on site – more details to come.

The Clinton-Peabody TAB shared a "Bright Spot" where they talked about a recent successful back-to-school bash for the residents.

POAH continued talking about the "Campaign to a New Home" program that was introduced to the residents in May. They touched on the need to be ready for the new property and ensuring that there is not any outstanding issue that would prevent a tenant from transferring to the new Clinton-Peabody. This will be a continuing agenda item.

The next resident engagement meeting will be held on September 25, 2025.

Rental Assistance Demonstration (RAD)

<u>Parkview RAD Conversion</u> – Development and Modernization staff continued working on the documents necessary to submit the low-income housing tax credit application to MHDC. These include the Capital Needs Assessment, Energy Audit and Market Study. The application is due September 17, 2025.

<u>King Louis Square (KLS) and King Louis Square II (KLSII)</u> – Development and Modernization staff submitted the financing plan to the RAD Resource desk in August. They continue to work with the developer to provide all documents necessary for closing and have been in active communication with HUD.

HUD has been encouraging PHAs to utilize RAD to insulate subsidized housing units from Federal funding decisions impacting public housing. In recognition of HUD's position on RAD, Development and Modernization staff have been working with the developer to ensure that a conversion from public housing to RAD would be of benefit to the residents and to the agency.

Projects

<u>Lookaway Unit Repairs (5 units) CDA Grant Make-Ready (heavy)</u> – SLHA was awarded \$2 million from the City of St. Louis Community Development Administration (CDA) and has finalized the contract with CDA. As part of this work, five units at Lookaway will be made ready for occupancy. The work was solicited on July 7, 2025 and bids were due on August 6, 2025. The work was awarded to the lowest responsive bidder LPI Construction. Development and Modernization staff are collecting documentation. This work will continue into September.

The successful completion of this project will return five (5) units to occupancy.

<u>RD 25-14 – NSSS Electrification and Unit Repairs (Thirty-Four (34) Units)</u> – The contract was signed with the low bidder in August and staff is working on collecting the documentation necessary to authorize beginning work. This will occur in September.

In total, 17 units will receive make-ready work funded through the CDA grant and additional electrical service and appliance upgrades through the Housing-Related Hazards (HRH) grant. These units will be at Page Manor (7 units) and Samuel Shepard (10 units).

The solicitation also includes seventeen (17) units at the Towne XV development, and the remaining units at Page Manor and Samuel Shepard to receive electrical appliance and service upgrades. This work will include new electric water heaters, ranges, exhaust fans, and upgraded electrical panels. These improvements will be paid for through the HRH grant so that the work can be completed more efficiently and with greater value.

***Emergency Repair *** James House Roof Replacement — On May 16, 2025, the city of St. Louis was struck by an EF3 tornado. James House was in the path of the tornado and as a result, the roof membrane was completely torn off and the HVAC system severely damaged.

The roof at James House is water tight and the contractor is about 80% finished with the contracted work. Material are still on order for the pressurization unit and engineers are working on upgrading the lightning protection system to meet current code.

<u>RD 24-13 – PHA Wide Asphalt Shingle Roof Replacement</u> – The project has been put on a brief hold while the selected contractor finishes with work they are doing on the properties affected by the tornado. The contractor who won this bid has been focused on helping SLHA with significant emergencies related to the May 16 EF3 tornado damage and has paused work on this project. Development and Modernization staff are reviewing documents as they are presented.

<u>RD 25-01 – California Gardens Security Cameras (ESSG) 2024</u> – Installation of the cameras continues and the project is about 50% complete. Development and Modernization staff have been working with SLHA's IT Department to ensure that the internet is robust enough to handle the new system. That work was completed in August.

<u>RD 25-06 – Parkview Apartments First-Floor Furniture</u> – The installation of the furniture is on hold pending the completion of the first-floor renovation, which has been delayed.

<u>RD 25-02 – West Pine Elevator Replacement</u> – The contractor is expecting to mobilize in September and begin work on the replacement of the West Pine elevators.

<u>RD 24-11B – Folsom/Norfolk Make Ready (3) Units</u> – This is part of the heavy make-ready turn work that was identified as necessary in February 2024. All work on the three (3) units was completed on August 28. Development and Modernization expects to complete the turn over to Property Management in September.

The successful completion of these projects will return three (3) units of housing back to productive use and occupancy.

<u>RD 24-07 – Parkview Apartments First-Floor Renovation</u> – The contractor applied for a low voltage permit with the City in August so that work can continue on that part of the lobby. Meanwhile, the new vestibule doors were installed and work on the cabinetry was also completed.

<u>RD 24-08 –Cochran Plaza Security Upgrades</u> – The contractor is still waiting for the City inspection related to the necessary new service to the electrical panel. This is anticipated to occur in September.

<u>RD 24-04 – Badenhaus Sewer Repair</u> – The final part of the work was delayed due to material being damaged in shipping. The contractor has installed the majority of the lighting and will complete the work in September.

<u>RD 23-03A – Parkview Apartments Access Control System</u> – This project is on hold until the entry door at Parkview can be properly repaired. This is expected to occur in September.

<u>RD 22-10 – The California Garden Fence Replacement and Security Upgrades</u> – The system was largely completed in August. Fencing panels were welded in place in August, the site was cleaned of construction debris, existing metal guard rails on the interior of the site was painted, and the electronics of the system were installed. The contractor is waiting for the mesh panels to be delivered in September.

<u>Parkview Parking Deck Evaluation</u> – Development and Modernization staff are still monitoring the Parkview parking deck. A new inspection by the structural engineer will occur in September.

<u>LaSaison Phase I</u> – LaSaison Phase I has completed construction of five (5) single-family homes by Habitat for Humanity St. Louis (HFHSL). Families have been identified by HFHSL for each of the homes and four (4) of the properties have transferred ownership. One (1) unit remains for transfer in Phase I.

<u>LaSaison Phase II</u> – The SLHA board of commissioners approved SLHA staff to execute a Modified and Restated Master Developer Agreement with the developer at the March 27, 2025 board meeting. Staff will continue to work with the SLHA Legal Department on the legal documents necessary for the production of LaSaison Phase II and the remaining five (5) for-sale homes. These will be sold to low to moderate-income households.

The developer is currently working on their bank financing. SLHA is reviewing the documents provided.

Section 18

<u>Hodiamont Board Up</u> — Development and Modernization staff had several calls with HUD related to the Section 18 application in August. The SAC office has requested an appraisal. The process will continue into September.

Projects Ready for Close-Out

<u>RD 22-04 – Parkview Elevator Replacement</u> – Punch list (final review of contractor's work) was completed in June and the elevators returned to service. Close-out began in July and will continue into September.

<u>RD 24-11A – SSSC Lafayette Townhomes (4) Units</u> – This is part of the heavy make-ready turn work that was identified as necessary in February 2024. This project returned four (4) units to occupancy. This project was closed out in August.

<u>RD 23-12 – West Pine Roof Replacement</u> – The contractor has completed all of the punch list items and work continues on the close-out for the project. Close-out work will continue into September.

The grant application was submitted on July 14, 2025.

<u>Emergency Safety and Security Grant (ESSG)</u> – SLHA submitted a grant for cameras at Lafayette Apartments in March and resubmitted to HUD in June per its request. A response from HUD is expected over the summer.

Planning

<u>California Gardens Elevator Replacement</u> – A task order for design of the elevator replacement at California Gardens has been submitted to SCB, an architecture firm contracted to SLHA. The designs for the project have been delayed. The architects have provided very preliminary plans. More detailed drawings should be available in the fall.

<u>California Gardens PTACS and Unit Repairs</u> – Development and Modernization staff have begun the work to update electrical panels and replace PTAC units at California Gardens. As part of that work, twelve (12) units will be made ready under the heavy make ready work underway throughout the portfolio.

<u>CDA Grant Make-Ready (heavy)</u> – SLHA was awarded \$2 million from the City of St. Louis Community Development Administration (CDA) and has finalized the contract with CDA. The work will be solicited starting with Phase I in March. Development and Modernization staff have issued a task order to St. Louis Design Alliance, an architecture firm under contract with SLHA, to complete the design process for the following projects:

<u>Phase 1</u>: Has been moved to Solicitation. The solicitation received three (3) bids and the apparent low bidder has been notified.

<u>Phase 2</u>: The second phase will be split into two (2) solicitations due to mold remediation efforts needed for McMillan.

<u>Phase 2a</u> – Lookaway (5 units) has been moved to Solicitation.

<u>Phase 2b</u> – McMillan I (5 units) and McMillan II (5 units) require mold remediation. The bids for the work are being requested now. When the work is complete, the units can be scoped and put out for bid. This is expected to occur in the fall.

<u>Phase 3</u>: Cochran (21 units). Bid documents for six (6) units are being prepared.

The phasing and units are subject to change based on cost and need.

<u>Make-Ready (heavy) Portfolio-Wide</u> – Development and Modernization issued a task order in February 2024 to the architects at St. Louis Design Alliance to prepare a template scope for heavy make-ready work that rises to a level above normal wear and tear for units. This work falls under the category of "Rehabilitation of 25 Units per Year" in the Annual Plan. As units are identified, they will be added to the solicitations portion of this report.

On Hold Solicitations

<u>Cochran Plaza Mini-Mall</u> – The Cochran Gardens Mini-Mall select demolition and repairs were completed in August 2022. The design work for the project has been put on hold so that the occupancy needs of the agency can be addressed first.

Director's Activities
